NOTES:

1. The Explanatory Statement setting out the material facts concerning each item of Special Businesses to be transacted at the Annual General Meeting pursuant to Section 102 of the Companies Act, 2013, is annexed hereto and forms part of the Notice. Information on all the Directors proposed to be appointed/ re-appointed at the Meeting is provided in the **Annexure** to this Notice.
2. The Ministry of Corporate Affairs ('MCA') vide its General Circular No. 20/2020 dated May 5, 2020 read with General Circular Nos. 2/2022 dated May 5, 2022, 10/2022 dated December 28, 2022, 09/2023 dated September 25, 2023, 09/2024 dated September 19, 2024 and General Circular No.03/2025 dt 22nd September, 2025 respectively (collectively referred to as 'MCA Circulars') have permitted the holding of the Annual General Meeting by companies through video conferencing (VC) / other audio visual means (OAVM) till further orders without the physical presence of the Members. Accordingly, in compliance with the provisions of the Companies Act, 2013 ('Act'), the 20th AGM of the Company is being conducted through VC/OAVM Facility, which does not require physical presence of members at a common venue.
3. In terms of the Secretarial Standards on General Meetings (SS-2) issued by The Institute of Company Secretaries of India, the venue of the 20th AGM shall be deemed to be the Registered Office of the Company situated at Sy.No 168/3A, Plot No U-1, Administrative Building, Mangalore Special Economic Zone, Bajpe Village Mangalore Taluk, Dakshina Kannada (Dist), Karnataka – 574142.
4. The Ministry of Corporate Affairs vide its Circulars has introduced certain measures enabling companies to convene their Annual General Meetings (AGM/ Meeting) through Video Conferencing (VC) or Other Audio-Visual Means (OAVM) and also send notice of the Meeting and other correspondences related thereto, through electronic mode. In compliance with the said requirements of the MCA Circulars, electronic copy of the Notice along with the Annual Report for the financial year ended 31st March, 2026 consisting of financial statements including Board's Report, Auditors' Report and other documents required to be attached therewith (Collectively referred to as Notice) have been sent only to those members whose e- mail ids are registered with the Company or the Registrar and Share Transfer Agent or the Depository Participants(s) through electronic means and no physical copy of the Notice has been sent by the Company to any member. The Notice and Annual Report for financial year 2025-26 shall also be available on the website of the Company at www.mangaloresez.com.
5. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members under Section 105 will not be available for the 20th AGM and hence the Proxy Form and Attendance Slip are not annexed hereto. However, in terms of the provisions of Section 112 and Section 113 of the Act, representatives of the Members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes. In case a poll is demanded, the designated email id is phanibhushan@msezl.com to which the members can send email to cast their vote.
6. Members of the Company under the category Corporate Shareholders are encouraged to attend and vote at the AGM through VC/OAVM are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM and vote on its behalf. The said Resolution/Authorization can be sent to the Company by email to phanibhushan@msezl.com.

7. Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
8. Participation of Members through VC /OAVM will be reckoned for the purpose of quorum for the AGM as per section 103 of the Act.
9. Those Shareholders whose email IDs are not registered, are requested to register their email ID with Registrar & Share Transfer Agent (R&STA)/Company Secretary by providing their Name as registered with the R&STA, Address, email ID, PAN, DPID/Client ID or Folio Number and Number of shares held by them.
10. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for members on first come first serve basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Auditors, who are allowed to attend the AGM without restriction on account of first come first serve basis.
11. The Members will be allowed to pose questions during the course of the Meeting. The queries can also be given in advance by email to phanibhushan@msezl.com.
12. Members may send in their queries at least a week in advance to the Company Secretary at phanibhushan@msezl.com to facilitate clarifications during the Meeting.
13. Members who hold shares in physical form are requested to intimate to the Company Bank mandate under the signature of Sole/first named joint shareholder specifying Bank's name, Address (with PIN No.) of the Branch, Account Type - Saving (SA) or Current (CA), Account No.
14. As per the Ministry of Corporate affairs notification dt 10th September 2018, every holder of securities of an unlisted public company who intends to transfer such securities on or after 2nd October, 2018, shall get such securities dematerialized before the transfer.
15. Members who still hold share certificates in physical form are advised to dematerialize their shareholding to avail the benefits of dematerialization, which include easy liquidity, since transfers are permitted in dematerialized form only, electronic transfer, savings in stamp duty and elimination of any possibility of loss of documents and bad deliveries.
16. Members are also requested to notify any changes in their email ID or Bank Mandates or address to the Company and always quote their Folio Number or DP ID and Client ID Numbers in all correspondence with the Company. In respect of holding in electronic form, Members are requested to notify any change of email ID or Bank mandates or address to their Depository Participants.
17. Nomination facility: Pursuant to Section 72 of the Companies Act, 2013 (corresponding section 109A of the Companies Act, 1956) individual/ joint members are entitled to register nomination in respect of the shares held by them in Form No.SH-13 and send it to the Company.
18. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts and Arrangements in which Directors are interested maintained under Section 189 of the Companies Act, 2013 shall be made available only in electronic form for inspection during the Meeting through VC.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:

1. Members whose email IDs are already registered with the Company and who are desirous to attend the AGM through VC/OAVM can apply at phanibhushan@msezl.com requesting for participation in the AGM, by giving their name as registered in the records of the Company, DPID/Client ID or Folio Number and the Registered email ID and for any queries regarding the access, members can send email to phanibhushan@msezl.com or contact the Company secretary at 0824-2885510.
2. Members who are desirous of attending the AGM through VC/OAVM and whose email IDs are not registered with the company, may get their email IDs registered with the Registrar & Transfer Agent or with the Company by sending an email to phanibhushan@msezl.com with the following credentials:
 - a. Name registered as per the records of the company
 - b. DPID-Client ID/ Folio Number
 - c. Email ID to be registered for attending the Meeting
3. Members may send the above-mentioned request at least 7 days before the meeting date. In case of joint holding, the credentials of the first named holder shall be accepted.
4. On successful registration with the company, the invitation to join the AGM will be sent to the Members on their registered email IDs.
5. Members may attend the AGM, by following the invitation link sent to their registered email ID. Members will be able to locate Meeting ID/ Password/ and JOIN MEETING tab. By Clicking on JOIN MEETING, they will be redirected to Meeting Room via browser or by running Temporary Application. In order to join the Meeting, follow the step and provide the required details (mentioned above – Meeting Id/ Password/Email Address) and Join the Meeting. Members are encouraged to join the Meeting through Laptops for better experience.
6. In case of Android/iPhone connection, Participants will be required to download and Install the appropriate application as given in the mail to them. Application may be downloaded from Google Play Store/ App Store.
7. Further Members will be required to allow Camera and use Internet audio settings as and when asked while setting up the meeting on Mobile App.
8. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches. The helpline number for joining the Meeting through Electronic Mode will be provided in the Meeting Invitation which will be sent to the eligible applicants.

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013.

Item No. 3:

Kanara Chamber of Commerce & Industry (KCCI) vide its letter 20th November, 2025 had nominated **Shri Poonjamogru Bandasale Ahmed Mudassar (DIN: 06738742)** as Director on the Board of Mangalore SEZ Limited. Shri P. B. Ahmed Mudassar will hold office up to the date of this AGM. The Company has received notice in writing under the provisions of Section 160 of the Companies Act, 2013, from a member proposing the candidature of **Shri P. B. Ahmed Mudassar** for the office of Director.

Copy of the notice received under Section 160 of the Companies Act, 2013 will be made available electronically for inspection by the members at the Registered Office of the Company during the business hours on all working days up to the date of the meeting.

Shri P. B. Ahmed Mudassar holds a Bachelor's Degree in Engineering in Bio Technology from Nitte Mahalinga Adyantaya Memorial Institute of Technology (NMAMIT), Nitte. Management Development Programme (MDP) on investment banking from Indian Institute of Management (IIM), Kozhikode and Masters in Business Administration (MBA) in marketing and finance from Alliance Business Academy, Bangalore. He is the fourth generation Business man serving as a Partner of **P. B. Abdul Hameed & Sons**, a renowned firm involved in trading of spices.

Shri P.B.Ahmed Mudassar has been the Director of Kanara Chamber of Commerce from 2019 and has been spearheading with the focus area of Industry Academia Interconnect. He is presently the President of KCCI, which is an apex body for all Trade and Commerce related matters in the Dakshina Kannada Dist.

The appointment of **Shri P. B. Ahmed Mudassar** as Director was made on January 15, 2026 and no meetings were held after his appointment, hence attendance at the Board meetings during the year 2025-26 is not applicable.

He doesn't hold any equity shares of the Company. Accordingly, the Board of Directors of the Company recommends passing of the Ordinary Resolution set out in this item for your approval.

None of the Directors, Key Managerial Personnel and their relatives except **Shri P. B. Ahmed Mudassar** is concerned or interested in this resolution. The Board recommends the resolution for your approval.

Item No.4:

Oil and Natural Gas Corporation Limited (ONGC) vide its nomination letter ONGC/BDJV/14/2026 dated 02nd July, 2026 had nominated **Shri Anupam Agarwal, Director (Finance)** of Oil and Natural Gas Corporation Ltd (ONGC) as Director on the Board of the Company. Pursuant to provisions of Section 161 of the Companies Act, 2013, read with Articles of Association of the Company, the Board of Directors have appointed **Shri Anupam Agarwal (DIN: 09601339)** as an Additional Director (Nominee of ONGC) of the Company with effect from July 16, 2026.

Shri Anupam Agarwal will hold office up to the date of this AGM. The Company has received notice in writing under the provisions of Section 160 of the Companies Act, 2013, from a member proposing the candidature of **Shri Anupam Agarwal** for the office of Director.

Copy of the notice received under Section 160 of the Companies Act, 2013 will be made available electronically for inspection by the members at the Registered Office of the Company during the business hours on all working days up to the date of the meeting.

Shri Anupam Agarwal is a Fellow Member of the Institute of Cost Accountants of India and an Associate Member of the Institute of Company Secretaries of India. He is also a Chartered Financial Analyst from ICAI, Hyderabad. An alumnus of Lucknow University. He holds a Bachelor's degree in Commerce and a Master of Business Administration in Finance.

Shri Agarwal joined ONGC in 1990 as a Finance & Accounts Officer and has held a range of assignments across Baroda, Dehradun, Jorhat, Mumbai and Delhi. Over the years, he has gained extensive experience across the full spectrum of finance functions at both operational and corporate levels with over 35 years of experience.

He also held the position of Chairman of ONGC Overseas Investment Limited (OOIL) and served on the Board of ONGC Videsh B.V., Amsterdam.

Prior to joining the Board of ONGC, he served as Director (Finance) of ONGC Videsh Limited, where he contributed to strengthening financial performance, governance and treasury practices, including the establishment of ONGC Overseas Investment Limited at GIFT City as the Group's Global Treasury Centre.

His earlier assignments include Executive Director – Chief Corporate Finance at ONGC, overseeing areas such as taxation, investor relations, corporate budgeting, project appraisal and bidding for exploration and production blocks.

Shri Agarwal's contributions to the finance profession have earned him several accolades. He was conferred the ASSOCHAM Best CFO Gold Award 2025 for Excellence in Finance Transformation & Innovation and the CFO–Outstanding Performer Award at the CMA Awards 2024 by the Institute of Cost Accountants of India. During his tenure, ONGC Videsh also received the ICAI Silver Award for Excellence in Financial Reporting 2024-25 in the Public Sector Entities category.

Presently he heads ONGC as Director (Finance) and leads ONGC's financial strategy and stewardship, supporting sustainable growth, prudent treasury management and long-term value creation.

The appointment of **Shri Anupam Agarwal** as Director was made on **July 16, 2026** and the appointment falls under the current year, hence attendance at the Board meetings during the year 2025-26 is not applicable.

He doesn't hold any equity shares of the Company. Accordingly, the Board of Directors of the Company recommends passing of the Ordinary Resolution set out in this item for your approval.

None of the Directors, Key Managerial Personnel and their relatives except **Shri Anupam Agarwal** is concerned or interested in this resolution. The Board recommends the resolution for your approval.

Item No.5:

Oil and Natural Gas Corporation Limited (ONGC) vide its nomination letter ONGC/BDJV/14/2026 dated 02nd July, 2026 had nominated **Shri Anandha Kumar**, Executive Director (Refinery) of Mangalore Refinery

and Petrochemicals Ltd (MRPL) as Director on the Board of the Company. Pursuant to provisions of Section 161 of the Companies Act, 2013, read with Articles of Association of the Company, the Board of Directors have appointed **Shri Anandha Kumar (DIN: 11818256)** as an Additional Director (Nominee of ONGC) of the Company with effect from **July 16, 2026**.

Shri Anandha Kumar will hold office up to the date of this AGM. The Company has received notice in writing under the provisions of Section 160 of the Companies Act, 2013, from a member proposing the candidature of **Shri Anandha Kumar** for the office of Director.

Copy of the notice received under Section 160 of the Companies Act, 2013 will be made available electronically for inspection by the members at the Registered Office of the Company during the business hours on all working days up to the date of the meeting.

Shri Anandha Kumar is a Chemical Engineering graduate from Annamalai University (1989) with over 37 years of extensive experience in the refinery and petrochemical industry. He is currently serving as Executive Director (Refinery) at Mangalore Refinery and Petrochemicals Limited, Mangalore. Since joining MRPL in 1995, he has played a pivotal role in the growth and development of the organization and was a key member of the team involved in the commissioning of the greenfield refinery.

He is responsible for providing strategic leadership and overall direction for refinery operations, maintenance, technical services, process, Health, Safety & Environment (HSE). In this role, he oversees the safe, reliable, and efficient operation of the refinery while driving operational excellence, enhancing profitability, leading digital transformation and sustainability initiatives, ensuring regulatory compliance, and fostering a high-performance culture aligned with the organization's long-term strategic objectives.

Over the course of his distinguished career, **Shri Anandha Kumar** has gained rich experience across refinery operations, process engineering, and safety management. He has held several leadership positions and has contributed significantly to operational excellence, process optimization, asset reliability, and the implementation of best-in-class safety practices.

Prior to joining MRPL, **Shri Anandha Kumar** worked with Tamil Nadu Petroproducts Limited, Chennai, a petrochemical company engaged in the production of Linear Alkyl Benzene (LAB). During his six-year tenure, he served in the Production Department, gaining valuable experience in petrochemical operations and process management.

The appointment of **Shri Anandha Kumar** as Director was made on **July 16, 2026** and the appointment falls under the current year, hence attendance at the Board meetings during the year 2025-26 is not applicable.

He doesn't hold any equity shares of the Company. Accordingly, the Board of Directors of the Company recommends passing of the Ordinary Resolution set out in this item for your approval.

None of the Directors, Key Managerial Personnel and their relatives except **Shri Anandha Kumar** is concerned or interested in this resolution. The Board recommends the resolution for your approval.

Item No. 6:

The Board of Directors at its 87th meeting held on April 17, 2026, based on the recommendation of the 78th Audit Committee, had approved the appointment of M/s Sivalingam & Co, Cost Accountants (Certificate of practice membership No 29701 and firms registration no 100949) as cost auditors at a remuneration of Rs 50,000/- (Rupees Fifty Thousand) per annum plus out of pocket expenses, at actuals and applicable

taxes, to conduct the audit of the cost records of the company for the financial year ending 31 March 2027.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors has to be ratified by the members of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at the notice for ratification of the remuneration payable to the cost auditors for the financial year ending 31 March 2027.

None of the directors or key managerial personnel of the company and their relatives are, concerned or interested, financially or otherwise, in the resolution set out in the notice.

The board recommends the resolution set forth in the notice for approval of the members.

**By Order of the Board of Directors
For Mangalore SEZ Limited**

**Place: New Delhi
Date : 31.07.2026**

He also held the position of Chairman of ONGC Overseas Investment Limited (OOIL) and served on the Board of ONGC Videsh B.V., Amsterdam. Prior to joining the Board of ONGC, he served as Director (Finance) of ONGC Videsh Limited, where he contributed to strengthening financial performance, governance and treasury practices, including the establishment of ONGC Overseas Investment Limited at GIFT City as the Group's Global Treasury Centre. His earlier assignments include Executive Director – Chief Corporate Finance at ONGC, overseeing areas such as taxation, investor relations, corporate budgeting, project appraisal and bidding for exploration and production blocks.	Shri Anandha Kumar has 37 years of extensive experience in the refinery and petrochemical industry. He is currently serving as Executive Director (Refinery) at Mangalore Refinery and Petrochemicals Limited, Mangalore. Since joining MRPL in 1995, he has played a pivotal role in the growth and development of the organization and was a key member of the team involved in the commissioning of the greenfield refinery. He is responsible for providing strategic leadership and overall direction for refinery operations, maintenance, technical services, process, Health, Safety & Environment (HSE). In this role, he oversees the safe, reliable, and efficient operation of the refinery while driving operational excellence, enhancing profitability, leading digital transformation and sustainability initiatives, ensuring regulatory compliance, and fostering a high-performance culture aligned with the organization's long-term strategic objectives.

			Shri Agarwal's contributions to the finance profession have earned him several accolades. He was conferred the ASSOCHAM Best CFO Gold Award 2025 for Excellence in Finance Transformation & Innovation and the CFO-Outstanding Performer Award at the CMA Awards 2024 by the Institute of Cost Accountants of India. During his tenure, ONGC Videsh also received the ICAI Silver Award for Excellence in Financial Reporting 2024-25 in the Public Sector Entities category. Presently he heads ONGC as Director (Finance) and leads ONGC's financial strategy and stewardship, supporting sustainable growth, prudent treasury management and long-term value creation.	Over the course of his distinguished career, Shri Anandha Kumar has gained rich experience across refinery operations, process engineering, and safety management. He has held several leadership positions and has contributed significantly to operational excellence, process optimization, asset reliability, and the implementation of best-in-class safety practices. Prior to joining MRPL, Shri Anandha Kumar worked with Tamil Nadu Petroproducts Limited, Chennai, a petrochemical company engaged in the production of Linear Alkyl Benzene (LAB). During his six-year tenure, he served in the Production Department, gaining valuable experience in petrochemical operations and process management.

9	Sep 30	Mar 26	16.07
	Total		139.23

State of the Company's Affairs

The Company is engaged in the development, operation and maintenance of the Multi product Special Economic Zone (SEZ) and related infrastructure facilities in accordance with the provisions of the Special Economic Zones Act, 2005 and the rules made thereunder. The project is situated at Mangalore.

During the financial year under review, the Company continued to focus on providing quality infrastructure and services to the unit's operating within the SEZ and on promoting industrial and economic activity within the Zone. The Company undertook various operational and maintenance activities to ensure efficient functioning of the SEZ and continued its efforts towards improving infrastructure.

During the year, the Company continued its leasing and infrastructure development activities and maintained satisfactory levels of operational performance. The Company remains committed to strengthening the SEZ ecosystem and creating long-term value for its stakeholders.

No significant change occurred in the nature of the business of the Company during the financial year under review.

The Company has substantially completed infrastructure development for Phase-I of the Project. The status and salient features of the developments during the year are as under:

- Up to 31st March 2026, the Company has awarded and completed 405 major orders for infrastructure development of the zone cumulatively amounting to capex of Rs 883 Cr since beginning of the Project.
- Based on the requirement of CETP users, MSEZL has upgraded the CETP from 3.5 MLD to 4.5 MLD and obtained Consent for Operation (CFO) from KSPCB dated 09/05/2025. The CETP is being operational fully by the users and is significantly contributing upside revenues to the Company.
- The Company has entered in to a amendment to the river water supply agreement with GAIL Mangalore Petrochemicals Ltd effective from 01st September, 2025. In order to have sustainable water supply to GMPL, the Company has taken up additional electromechanical works at Sarpady.
- The Company has implemented software-based approval system on 07th October, 2025 for day-to-day activities of the Company.

Land & Rehabilitation and Resettlement (R&R) of Displaced People

- The Company has implemented the Government order on R&R package which enabled for providing employment to the PDF's in the units in the Zone. As at 31.03.2026, out of the total no of 1628 eligible PDF candidates (Reduced from 1629 due to revocation of 1 PDF) for employment, onetime compensation has been paid to 892 candidates and balance 736 are to be provided employment. Out of the 736 candidates 644 candidates have been provided employment and balance 92 are yet to be placed. Out of 92 PDF's, 17 PDF's have not decided so far whether to avail the job/one time compensation, 2 families are not evacuated from project area, 14 PDF's are under process of employment with the Units. Hence clear cases for employment are 59 pdf's. Payment of Stipend & Sustenance allowance to PDF nominees is being paid by the Company.
- As per the Lease cum sale agreement with KIADB, the Company is entitled to seek for Sale deed once 50% of the area is utilized. Accordingly, the Company has made an application to KIADB, Zonal office, Mangalore for the sale deed. The final approval has been received from the Minister for Large and Medium Industries. Pursuant to this, the Karnataka Industrial Areas Development Board (KIADB) has issued a demand note for payment of Rs.1,62,22,686. The amount includes plan approval charges for the industrial units of MSEZ, lease rent up to 2026-27, and applicable interest. Out of the total amount, four units have already made the payment. The payments pertaining to four additional units and MSEZL are still pending. Upon payment of the balance amount to KIADB, the draft Sale Deed can be obtained.

Power

- The Company is a Deemed Distribution Licensee in terms of the proviso to Section 14 of the Electricity Act, 2003, for supply of electrical energy within the notified Special Economic Zone (SEZ) area. Accordingly, the Company's distribution and supply operations are subject to rate regulation by the Karnataka Electricity Regulatory Commission (KERC).
- During the current financial year, the Company filed a petition before KERC for the Annual Performance Review (APR) for FY 2024-25, seeking a true-up of revenues & costs and consequential transfer of the revenue surplus to consumers. The KERC vide its Order dated 17.04.2026 allowed the admissible claims in accordance with applicable regulations and directed the Company to pass on the revenue surplus of Rs.6.86 Crore to consumers. The Company has complied with the said direction.
- Against the Renewable Consumption Obligation (RCO) of 33.01% of total power procurement mandated under the regulations, the Company sourced approximately 63% of its total power requirement from non-fossil fuel based / renewable energy sources during the current financial year, significantly

exceeding its RCO compliance obligation.

- The Company operationalized, in accordance with applicable KERC regulations, the mechanism for transfer of surplus renewable energy to eligible consumers and, pursuant thereto, issued a 'Green Energy Allocation Certificate' to one of its consumers, enabling such consumer to account for its green energy consumption.
- During the current financial year, to cater to the consumer's requirement for an additional contract demand of 15 MVA, the Company carried out substation modification works comprising the shifting of the 110 kV incoming feeder cable and construction of a new 110 kV bay. These works have been completed and the substation's load handling capacity has been enhanced to 80 MVA (against the current peak demand of 50 MVA), thereby enabling the Company to supply reliable, stable, and quality power to its consumers.
- The KERC, while disposing of Original Petition (OP) No.34/2023 filed by one of the consumers challenging the levy of Additional Surcharge (ASC), decided the matter in favour of the Company and simultaneously directed the reopening of the earlier Review Petition (RP) No. 09/2023 filed by the same consumer on the identical subject. Before KERC, in the review proceedings, the Company filed detailed written submissions, attended the personal hearing, and submitted a comprehensive point-wise rebuttal to the grounds raised by the petitioner, supported by substantial corroborating evidence. The KERC, vide Order dated 28.10.2025 dismissed RP No. 09/2023 and upheld the Company's position.
- One of the consumers has filed a writ petition in the Hon'ble High Court, Karnataka against the tariff order passed by Karnataka State Electricity Commission (KERC). The matter came up for hearing on 10.12.2021 during which a joint memo was filed regarding an interim arrangement to the effect that Petitioner shall furnish BG of Rs 79.33 lakhs which shall be kept current and valid till disposal of the petition and the payment to be made under the Bank Guarantee shall be subject to orders of the Hon'ble Court and the outcome of the litigation. The Court ruled that subject to the aforesaid, the Company shall provide its consent to the Petitioner to avail open access power. Subsequently NOC for availing open access was issued to Petitioner on 22.12.21 after furnishing of the BG to the Court.
- Thereafter, the Petitioner filed an Interlocutory Application (IA) and obtained an interim order directing the Company to share its Business plan for FY 2011-12 with Petitioner. The Company challenged against the said order before the Division Bench of the High Court, which set aside the interim order and remanded the matter back to the learned Single Judge for fresh considerations of IA on merits. The learned Single Judge has since heard the final arguments of the counsel for the Company, KERC and the Petitioner on 04.11.2024. The matter remains pending and the next date of hearing is awaited.

Environment

- The Company is submitting the Compliance reports as per the Environmental Clearance conditions to the Ministry of Environment & Forests (MoEF) and Karnataka State Pollution Control Board (KSPCB) as stipulated.
- The company has installed an online ambient air quality monitoring station as mandated by MoEF & Pollution Control Board. The online monitored data is continuously uploaded to Central Pollution Control Board website.
- As part of the Compliance requirement to KSPCB directions for operation of CETP and marine out fall systems, the Company had installed online analysers to monitor the quality of inlet and outlet parameters of effluents to the CETP and marine out fall systems and the same is being uploaded to CPCB and KSPCB on real-time basis.

Green Belt Development

- The Company has till date developed green belt in 272 acres as part of green belt requirements of the Zone and also maintaining Garden areas to improve the aesthetics of the Zone. During the FY 2025-26, the Company planted around 500 saplings at its facilities such as Domestic Tariff Area, CETP, Water Treatment Plant, Grid Sub-station-3, Corridor, Development Commissioners office, near flyover and at its units. In addition, the Company undertook regular maintenance of the green belt.
- MSEZL in coordination with Karnataka State Pollution Control Board, Karnataka Forest department and SEZ Units celebrated world environment day by planting various saplings and also undertook clean and green programme from DC's office to MSEZ main entrance.

New Initiatives

The Installation of roof top solar of 100KW at Water Treatment Plant and 80KW at Marine Outfall Pump house was completed and commissioned in the month of September 2025 and October 2025 respectively. Also, 15KW Roof top solar at Fire Water Pump house has been commissioned in the month of April 2026.

Declarations by Independent Directors:

The Company had received declarations from the Independent Directors under Section 149(6) of the Companies Act, 2013 confirming their independence vis-à-vis the Company.

Directors' Responsibility Statement

As required under clause (c) of sub-section (3) of section 134 of the Companies Act, 2013, your Directors confirm that:

- a) the applicable accounting standards have been followed along with proper explanations relating to material departures, if any, for preparation of the annual accounts;

- b) the accounting policies have been selected and applied consistently and judgments and estimates have been made that are reasonable and prudent, so as to give a true and fair view of the state of affairs of the Company at the end of the financial year ended March 31, 2026 and of the profit and Loss of the Company for that period.
- c) proper and sufficient care has been taken to maintain adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud or other irregularities;
- d) the annual accounts have been prepared on a going concern basis.
- e) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

Corporate Governance

The report on Corporate Governance is annexed to this report as Annexure-II.

Contracts and Arrangements with Related Parties

Related party transactions that were entered during the financial year are on arm's length basis and were in the ordinary course of business. There were no related party transactions with the Company's Promoters, Directors, Management or their relatives, which could have a potential conflict with the interests of the Company. Transactions with related parties entered by the Company in the normal course of business are periodically placed before the Audit Committee for its review and approval. The particulars of transactions made with the Related Parties during the year in the prescribed Form AOC-2 are enclosed as **Annexure-III**.

Corporate Social Responsibility (CSR) initiatives

As a socially responsible organization, MSEZL is committed to the well-being of the communities around the SEZ area and with this objective the Company has taken up a number of schemes/ development activities during the FY 2025-26. These activities pertain to the areas of education and allied activities.

As required under the Companies Act, 2013, the Company is required to spend at least 2% of the average net profits in the immediately three preceding financial years. The average net profits for the last three years viz., 2022-23, 2023-24 & 2024-25 was Rs 2271.66 Lakhs and 2% of 3-year average net Profit was Rs 45.43 Lakhs.

The CSR Policy may be accessed on the Company's website at [http:// www. mangaloresez.com /index.php/ about-us/company-policies](http://www.mangaloresez.com/index.php/about-us/company-policies). A report on the CSR activities for FY 2025-26 is provided as an Annexure-IV to this report.

Risk Management

The Risk Management Policy has been adopted for the organization by the Board. The Risk Management Committee reviews various types of risks whether present or future and updates the risk register. The Management appraises the same to the Audit Committee periodically.

Internal Financial Control Systems and their Adequacy:

Your Company has in place a Policy on Internal Financial Controls. The Audit Committee regularly reviews the Internal Audit Reports for the audit carried out in all the key areas of the operations. Additionally, the Audit Committee reviews the significant issues raised by the Internal and External Auditors. Regular reports on the business development, future plans if any and projections wherever required are given to the Board of Directors. Internal Audit Reports are regularly circulated for perusal of Senior Management for appropriate action as and when required.

The Company's assets are adequately covered by comprehensive insurance, risk assessments, inspections and safety audits are carried out periodically.

Statutory Auditors

M/s RPSV & Co., Chartered Accountants, bearing Registration No. 013151S are the Statutory Auditors of the Company for a period of 5 years from the conclusion of 17th Annual General Meeting till the conclusion of 22nd Annual General Meeting at such remuneration as may be decided by the Audit Committee/Board of Directors thereon. They have audited the Financial Statements for the FY 2025-26 and submitted their report which forms part of this report.

Auditors' Report:

The report of the Auditors of the Company and notes to the accounts are self-explanatory and therefore do not call for any further comments and may be treated as adequate compliance of Section 134(2) of the Companies Act, 2013. The Auditors' Report is unqualified.

Internal Auditors

The Board of Directors at its 83rd meeting held on April 29, 2025 have appointed **M/s. B P Rao & Co, Chartered Accountants** as Internal Auditors of the Company for the financial year 2025-26. The Internal audit is a quarterly audit and the report by the internal audit report along with the management observations is submitted to the Audit Committee for its review.

Secretarial Audit

The Board at its 83rd meeting held on April 29, 2025 had appointed M/s Ullas Kumar Melinamogaru & Associates, Practising Company Secretaries, Mangalore as the Secretarial Auditor to conduct Secretarial Audit for the financial year 2025-26. The Secretarial Audit Report for the financial year ended March 31, 2026 is annexed herewith and marked as Annexure-I to this Report. The Secretarial Audit Report do not contain any qualification, reservation or adverse remark and therefore do not call for any further comments and may be treated as adequate compliance of Section 134(2) of the Companies Act, 2013.

"The Company has been regular in carrying out all the corporate actions and relevant filings pursuant to the approvals made by the Board /shareholders. However, it has been noticed that the Form MGT-14 relating to filing of Board report for the year 2025 & 2024 was not found on record. Upon enquiry with the MCA

portal and Certification authorities, the said form was not traceable. As advised, it was found prudent for the Company to file the form immediately without further delay. Hence, the form MGT-14 was filed with MCA on 08.06.2026 along with the applicable additional fees. The Company has since then strengthened its internal compliance controls by maintaining checklists to prevent recurrence of such delays. The delay occurred inadvertently due to administrative oversight and procedural in nature.”.

Cost Auditors & Cost Records

M/s Sivalingam & Co, Cost Accountants, Bangalore bearing Certificate of practice membership No 29701 and firms registration no 100949 was appointed by the 83rd Board of Directors on April 29,2025 as the Cost Auditor of the company for FY 2025-26 at a remuneration of Rs 50,000/- (Rupees Fifty Thousand Only) plus applicable taxes and out of pocket expenses, subject to ratification of the said remuneration by the Members at the ensuing 19th Annual General Meeting pursuant to Section 148 of the Companies Act, 2013. The remuneration was ratified at the 19th Annual General Meeting held on 01st September, 2025.

The Company has maintained the necessary accounts and records as specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 pertaining to Cost Audit. The Cost Auditor has conducted the cost audit and issued his report which will be filed with the Central Government after consideration by the Board of Directors.

Evaluation of Board

The provisions of Section 134 (3) (p) of the Companies Act, 2013 read with rule 8(4) of the Companies (Accounts) rules, 2014 requires every listed company and every other public Company having paid-up share capital of Rs 25 Cr or more shall include a statement indicating the manner in which formal annual evaluation has been made by the Board of its own performance and that of its committees and individual directors.

Accordingly, based on the criteria of Board evaluation approved by the Nomination and Remuneration Committee (NRC), the Board of Directors have evaluated the performance of Board, Non-Executive and Non-Independent Directors, Committees of Board and Independent Directors of the Company. A consolidated report was submitted to the 30th Nomination and Remuneration Committee held on 14th April, 2026 and to the 87th Board for its review. The 30th Nomination and Remuneration Committee reviewed the consolidated report on Evaluation and noted the % of rating obtained against each category by the Directors. Based on the % of rating obtained, the 30th NRC had expressed its satisfaction with the evaluation process, the effectiveness and functioning of the Board and Committees and also the functioning of the Non-Executive and Non-Independent Directors and Independent Directors. The Consolidated report on the performance of Board, Non-Executive and Non-Independent Directors, Committees of Board and Independent Directors was placed for review and noting by the Board. The Board reviewed the consolidated report on Board Evaluation and concurred with the recommendations of the 30th Nomination and Remuneration Committee.

Meeting of Independent Directors

10th Independent Directors meeting was held on March 28, 2026, inter-alia, to discuss the evaluation of performance of Non- Independent Directors, the Board as a whole, evaluation of the performance of the Chairman and the evaluation of the quality, content and timelines of flow of information between the

management and the Board that was necessary for the Board to effectively and reasonably perform its duties. The Independent Directors expressed satisfaction over the same.

Internal Complaints Committee (ICC):

The Company in compliance of instruction of Department of Woman and Child development read with the guidelines issued by the Honorable Supreme Court, the company has constituted an Internal Complaints Committee to enquire into the complaints on sexual harassment of women at work place under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The ICC was re-constituted w.e.f 25th February, 2026 with the induction of 2 new members Mr. Padmanabha S Rao, Mrs Lakshmi K in place of Mr K.S.Ramanujam and Mrs Noopur Kaushik Bhalla (owing to completion of 3 Years). The following are the members of the ICC viz., Mrs Ashwini Hegde (Presiding officer), Mrs Kavya Akshay, Mr Prakah Bhat, Mr.Padmanabha S Rao and Mrs Lakshmi K. During the financial year ended 31st March, 2026, four meetings were held on 30th April, 2025, 23rd July, 2025, 04th November, 2025 and 04th February, 2026. The Company has not received any complaints pertaining to Sexual Harassment during the year under review.

Vigil Mechanism:

The Company has adopted in its Board Meeting held on 28th March, 2015 a Vigil mechanism and Whistle blower policy (part of HR policy) which would be overseen by the Audit Committee under which a protected Disclosures should be addressed to the Chairman of the Audit Committee. If the protected disclosure is received by an executive, the same should be forwarded to the Chairman of the Audit Committee for appropriate action. The Company Secretary shall act as a vigil officer for operational matters under the policy. Detailed policy on vigil mechanism is available on the Company's website viz., www.mangaloresez.com. During the year, the Company has not received any Complaints under the Vigil mechanism.

Update on the Stake sale contemplated between the promoters:

Mangalore SEZ Ltd ("MSEZL"), Oil and Natural Gas Corporation Limited ("ONGC"), Infrastructure Leasing & Financial Services Limited ("IL&FS"), Kanara Chamber of Commerce and Industry ("KCCI") and Karnataka Industrial Area Development Board ("KIADB") had entered into a shareholders agreement dated March 29, 2007 with respect to the terms and conditions governing the investments of the primary investors in the Company, their respective rights and obligations in relation to the shareholding, management and administration of the Company, the execution of the project and other related matters including their inter se understanding as shareholders of the Company ("SHA").

As per clause 9.3.1 of the SHA, if at any time after expiry of the Lock-In Period, a Shareholder (other than any member of the ONGC Group) desires to Transfer any Shares or voting interests therein owned by it in the Company to any Third-Party purchaser, then, it shall make an offer to the ONGC Group by a notice. Accordingly, IL&FS had sent a "Non-ONGC Group Transfer Notice" to ONGC asking ONGC to indicate whether it wishes to exercise right of first refusal ("ROFR") in accordance with the terms of the SHA on proposed sale of IL&FS of all its equity shares in the Company (i.e. 2,50,00,000 (two crore fifty lakh) equity shares constituting around 50% of the equity stake in the Company) in accordance with the valuation determined as per the terms of the SHA. ONGC along with its affiliate i.e. Mangalore Refinery and Petrochemicals Ltd (MRPL) have exercised the RoFR for the proposed sale of entire 2,50,00,000 equity share of MSEZ representing around 50% of Paid-up capital held by IL&FS. The CoC Meeting was held on May 2, 2024 which could not obtain the required percentage of approval due to concerns regarding the dated valuation of the Sale Shares. Later the parties have carried out RoFR value based on valuations as of September 30, 2024. The transaction was approved by the CoC on 21.04.2025. The Share purchase agreement was executed between the parties on 09.06.2025. Subsequently received the approval of the NCLT, Mumbai on 07.10.2025. IL&FS has now filed an application before NCLAT seeking exemption in valuation methodology. Approval of NCLAT is awaited.

Details of frauds reported by auditors under Section 143(12) other than those which are reportable to the Central Government

During the year under review, the Statutory Auditor in their report have not reported any instances of frauds committed in the Company by its Officers or Employees under section 143(12) of the Companies

Act, 2013.

Particulars of Loans given, Investments made, Guarantees given and securities provided

During the year, the Company has not made any investment and no loans or guarantees or securities were provided to other business entities.

Fixed Deposit

The Company did not invite or accept any deposits from the public during the year within the meaning of Section 73 of the Companies Act, 2013. There are no unpaid or unclaimed deposits with the Company.

ANNEXURE I TO BOARD'S REPORT

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Mangalore SEZ Limited
[CIN: U45209KA2006PLC038590]
Sy. No 168/3A, Plot No U-1,
Administrative Building,
Mangalore Special Economic Zone,
Bajpe Village, Mangalore 574142,
Dakshina Kannada (Dist), Karnataka.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mangalore SEZ Limited (hereinafter called "the Company") (CIN: U45209KA2006PLC038590)** having its Registered Office at Sy. No 168/3A, Plot No U-1, Administrative Building, Mangalore Special Economic Zone, Bajpe Village, Mangalore 574142, Dakshina Kannada (Dist), Karnataka. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on 31st March 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2026 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder **(not applicable to the Company as it is an Unlisted Public Company);**
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder **(not applicable to the Company as it is an Unlisted Public Company);**
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') **(not applicable to the Company as it is an Unlisted Public Company):-**
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2021;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; and
- i) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- vi. The other laws/Guidelines, as informed and certified by the management of the Company which, are specifically applicable to the Company based on their sector/industry are:-
 - a. Special Economic Zones Act, 2005.
 - b. Contract Labour (Regulation & Abolition) Act, 1970,
 - c. Karnataka Shops and Commercial Establishments Act, 1961.
 - d. The Payment of Wages Act, 1936.
 - e. The Minimum Wages Act, 1948.
 - f. The Maternity Benefit Act, 1961
 - g. The Equal Remuneration Act, 1976.
 - h. Employment Exchanges (CNV) Act, 1959.
 - i. The Employees State Insurance Act, 1948,
 - j. The Workmen Compensation Act, 1923.
 - k. The Employees Provident Fund and Miscellaneous Act, 1952.
 - l. Industrial Disputes Act, 1947.
 - m. The Employees Liability Act, 1938.
 - n. Payment of Bonus Act, 1965.
 - o. The Payment of Gratuity Act, 1972.
 - p. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.
 - q. Indian Trusts Act, 1882.
 - r. The Water (Prevention & Control of Pollution) Act, 1974 and the Water (Prevention & Control of Pollution) Cess Act, 1977.
 - s. The Air (Prevention & Control of Pollution) Act, 1981.
 - t. The Environment (Protection) Act, 1986.
 - u. The RBI Act and the relevant Rules and Regulations, Foreign Exchange and Management Act, 1999, Import Export Regulations, MSEZ Contracts and Purchases procedures, Arbitration and Conciliation Act, 1996 and amendment thereto.

For the compliances of Labour Laws & other General Laws, our examination and reporting is based on the documents, records as produced and shown to us and the information and explanations as provided to us, by the officers and management of the Company and to the best of our judgment and understanding of the applicability of the different enactments upon the Company. In our opinion, there are adequate systems and processes exist in the Company to monitor and ensure compliance with applicable General laws and Labour Laws.

The compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this audit since the same have been subject to review by the Statutory Auditors of the Company.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. **(not applicable to the Company as it is an Unlisted Public Company)**
- iii. Listing Agreements entered into by the Company with BSE Limited and the National Stock Exchange of India Limited **(not applicable to the Company as it is an Unlisted Public Company)**

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

- The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors and Independent Directors for the Financial Year ended 31st March, 2026. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notices were given to all Directors to schedule the Board Meetings, Agenda and detailed notes on Agenda were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the Meeting.
- Majority decision is carried through while the members' views were captured and recorded as part of the minutes.
- The 19th Annual General Meeting of the Members of the Company was held on Monday, the 01st day of September, 2025 at 11.30 Hours through Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM").
- No Extraordinary General Meeting of the Company was held during the Financial Year 2025-26.

During the period under review the board structure/system and process of the Company has complied with the provisions of the Act, Rules, Regulations made there under.

We further report that based on the compliance mechanism established by the Company and on the basis of review of compliance reports pertaining to the laws applicable to the Company and taken note by the Board of the Company, we are of the opinion that the management has systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there was no other specific event/ action in pursuance of the above referred laws, rules, regulations, guidelines, etc. having a major bearing on the Company's affairs.

Our report of even date is to be read along with this letter.

1. Maintenance of Secretarial Record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these Secretarial Records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial Records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial Records. We believe that the processes and practices, we followed, provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of Financial Records and Books of Accounts of the company. We have relied upon the Reports of Statutory Auditors regarding compliance of Companies Act, 2013 and Rules made thereunder relating to maintenance of Books of Accounts, Papers and Financial Statements of the relevant financial year, which give a true and fair view of the state of the affairs of the Company.
4. We have relied upon the reports of Statutory Auditors regarding compliance of Fiscal Laws including Goods and Service Tax and not gone into that.
5. Where ever required, we have obtained the Management Representation about the compliance of laws, rules and regulations and happening of events etc.
6. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
7. The Secretarial Audit Report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MANGALORE SEZ LIMITED

To the Members of MANGALORE SEZ LIMITED.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Mangalore SEZ Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date"

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone Ind AS financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial Statements and our auditors' report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of these standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of

the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's

report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Audit Trail

Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (Tally edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

The audit trail has been preserved by the company as per the statutory requirements for record retention. Our examination of the audit trail was in the context of an audit of financial statements carried out in accordance with the Standard of Auditing and only to the extent required by Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the "Ind AS" specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended.
 - e. On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**".
 - g. According to the information and explanation given to us by the management, no managerial remuneration has been paid/provided to any director of the Company during the year.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer to Note no. 55(b) to the standalone financial statements.
- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (iv) a. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
b. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
c. Based on the audit procedures we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- (v) No dividend is declared or paid by the Company during the year and hence, compliance with section 123 of the Companies Act, 2013 is not applicable to the Company.
- (2) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Refer to paragraph 1(f) of Report on Other Legal and Regulatory Requirements section of our report to the Members of Mangalore SEZ Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MANGALORE SEZ LIMITED ("the Company") as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable Financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over the financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with, generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company generally, in all material respect has an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Refer to paragraph 2 of 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Mangalore SEZ Limited at even date)

We report that -

i)

- a) A) The Company has maintained proper records showing full particulars, including quantitative details and the situation of the Property Plant and Equipment.
B) The Company has maintained proper records showing full particulars of intangible assets.
- b) The Company has the program of physical verification of all Property Plant and Equipment. In accordance with the program, all assets are physically verified once within the period of three years block. In our opinion, the reasonableness of the frequency of such physical verification is commensurate to the size of the Company and the nature of the assets.
- c) According to the information and explanations given to us, the Company has no immovable property that are not held in the name of the Company (other than properties where the Company is lessee and the lease agreement are executed in favor of the lessee) as disclosed in the Financial Statements, except as disclosed in Note No.43 to financial statements.
- d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year.
- e) According to the information and explanations given to us, the Company is not holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, the disclosure requirement is not applicable to the Company.

ii)

- a. The Company does not maintain any inventories in its books of accounts. Accordingly, clause 3 (ii) (a) of the Order is not applicable to the Company.
- b. According to information and explanation given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year. Hence, filings of returns or statements to Banks or Financial Institution are not applicable to Company.
- iii) According to the information and explanations given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence, the disclosure of clause 3(iii) (a) to (f) is not applicable to the Company.
- iv) According to the information and explanations given to us, the Company has not made any loans, investments, guarantees and securities, where provisions of sections 185 and 186 of the Companies Act have to be complied with. Hence, the disclosure of clause 3 (iv) is not applicable to the Company.
- v) The Company has not accepted any deposits or amounts which are deemed to be deposited during the year. Hence, the provisions of clause 3 (v) of the Order are not applicable to the Company.
- vi) The Central Government under sub section (1) of section 148 of the Companies Act has specified the maintenance of Cost Records as applicable to the Company. On the basis of the information and explanations provided to us, the Company has generally maintained cost records in accordance with the rules made by Central Government under Sub-section (1) of section 148 of the Companies Act, 2013.

- vii) According to the information and explanations given to us:
- The Company has generally been regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues applicable to it with the appropriate authorities and the extent of the arrears of outstanding statutory dues on the last day of the financial year does not concern a period of more than six months from the date they became payable.
 - There are no statutory dues referred to in sub clause (a) which has not been deposited as on March 31, 2026 on account of any dispute.
- viii) According to the information and explanations given to us, the Company has not surrendered or disclosed any transactions not recorded in the books of accounts as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix) According to the information and explanations given to us:
- The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 - The Company is not declared a willful defaulter by any bank or financial institutions or other lender.
 - The Company has applied the Term loans for the purpose of which the loans were obtained.
 - The Company has not raised any funds on a short-term basis Accordingly, reporting under clause ix (d) is not applicable.
 - The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
 - The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate company.
- x)
- The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Hence, reporting under clause 3 (x) (a) of the Order is not applicable to the Company.
 - The Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures during the year. Hence, reporting under clause 3 (x) (b) of the Order is not applicable to the Company.
- xi) According to the information and explanations given to us:
- No fraud on or by the Company has been noticed or reported during the year.
 - No report under sub-section (12) of Section 143 of the Companies Act has been filed by the auditors in Form ADT- 4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - The Company has not received any whistle-blower complaints during the year.
- xii) The Company is not a Nidhi Company and hence clause 3 (xii) of the Order is not applicable to the Company.
- xiii) According to the information and explanations given to us, all the related party transactions are in compliance with section 177 and 188 of the Companies Act, where applicable and the details of such transactions have been disclosed in Note No.51 to the Financial Statements etc., as required, by the applicable accounting standards.

- xiv) According to the information and explanations given to us:
- The Company has an internal audit system commensurate with the size and nature of its business.
 - The report of the Internal Auditor for the period under Audit was duly considered for the Statutory Audit purpose.
- xiv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors during the year. Hence, the requirement to report on clause 3(xv) of the order is not applicable to the Company.
- xvi) According to the information and explanations and representation given to us:
- The Company is not required to be registered under section 45-1A of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
 - The Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (COR) from the Reserve Bank of India as per the Reserve Bank of India Act 1934.
 - The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
 - According to the information and explanations given to us, the Group of Companies does not have any Core Investment Company as a part of the Group as per the definition of the Group contained in the Core Investment Company (Reserve Bank) Directions 2016. Accordingly, reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- xviii) There has not been any resignation of the Statutory Auditors during the year. Hence, the reporting under clause 3 (xviii) of the Order is not applicable to the Company.
- xix) According to the information and explanations given to us and on the basis of the review of financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, knowledge of the Board of Directors and management plans, no material uncertainty exists as on the date of audit report. Based on the Financial Statement, the Company is capable of meeting its liabilities existing as on the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- xx) According to the information and explanations given to us, there are no unspent amounts towards Corporate Social Responsibility ("CSR") on requiring a transfer to a Fund specified in Schedule VII to the Companies Act, 2013 in compliance with second proviso to sub-section (5) of Section 135 of the said Act. The Company has duly spent the required amount towards Corporate Social Responsibility (CSR) activities during the year, as disclosed in Note 41.2 of the financial statements. Accordingly, reporting under clause 3(xx)(a) &(b) of the Order is not applicable for the year.

**Notes accompanying financial statements****1. Corporate information**

Mangalore SEZ Limited ("Company"), an unlisted Public Limited Company domiciled and incorporated in India having its registered office at Survey No. 168/3A, Plot No U-1, Administrative Building, Mangalore Special Economic Zone, Bajpe Village, Mangalore Taluk, Karnataka -574 142 is engaged in the business of leasing and maintenance after development of property in Special Economic Zone (SEZ) and Domestic Tariff Area at Mangalore.

The Company is jointly promoted by Karnataka Industrial Area Development Board (KIADB), Oil & Natural Gas Corporation Limited (ONGC) and Infrastructure Leasing and Financial Services Limited (IL&FS).

2. Significant accounting policies**2.1. Statement of compliance**

The Standalone Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 and Technical Guide on Accounting for Special Economic Zones (SEZs) Development Activities issued by the Institute of Chartered Accountants of India.

2.2 Basis of Preparation

The Standalone Financial Statements have been prepared on the historical cost basis except for certain assets and liabilities that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course due to the special nature of industry, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or noncurrent as per the Company's operating cycle and other criteria set out in Ind AS-I Presentation of Financial Statements (Ind AS-I) and Schedule III to the Companies Act, 2013.

The Standalone Financial Statements are presented in Indian Rupees.

Fair value Measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the assets in its highest and best use.

Notes accompanying financial statements

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets and liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement at a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

2.3 Investments in subsidiaries

The Company records the investments in subsidiaries at cost less impairment loss, if any.

2.4 Non-current assets held for sale

Non-current assets and disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable, and the assets or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for the sale of such assets. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification as held for sale, and actions required to complete the plan of sale should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

2.5 Accounting for Government Grants and Disclosure of Government Assistance

Government grants are not recognized until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

These are recognized in the Standalone Statement of Profit and Loss on a systematic basis over the periods in which the Company recognizes the related costs for which the grants are intended to compensate.

Notes accompanying financial statements

Specifically, government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognized at fair value as deferred revenue and disclosed as 'Deferred revenue arising from government grant a liability in the Standalone Balance Sheet and transferred to the Standalone Statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

2.6 Property, Plant and Equipment (PPE)

Buildings held for use in the production or supply of goods or services or for administrative purposes, are stated in the Standalone Balance Sheet at cost less accumulated depreciation and impairment losses, if any.

Property, Plant and Equipment is stated at cost less accumulated depreciation and impairment losses ("Cost Model"). Cost includes of an asset comprises its purchase price or its construction costs (net of applicable tax credits) and any cost directly attributable to bring the asset into the present location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. The carrying amount of a PPE is de-recognized on disposal or when no further economic benefits are expected from its use and the gain / loss arising from such de-recognition is considered in the statement of profit and loss.

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is provided on the cost of PPE less residual value, under straight-line method in accordance with the Schedule II to the Companies Act, 2013 adopting the useful life for assets as specified therein, except for the following, whose useful life have been taken on the basis of the technical certification obtained. However, the management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Asset	Useful life (in years)
Electrical Installations & Equipment's, Tensile Roofing	15
Hydraulic works, pipelines & sluices	30
Marine Pipeline Asset – Pipeline Inside Sea	15
TTP Water Membranes	10
Car Parking Shed	20
Nitrogen injection system	25
Building, Pipeline Corridor, Flyover	30
Common Effluent Treatment Plant	15
Furniture and Fixtures	10
Vehicles	08
Roads, Street light fixtures, Steel structures, Corridor structure painting, Machines viz., Grass cutting, Mobile Barriers, Boom Barriers, CETP Rooftops, UPS Backup, Corridor Truss	05
MBBR Media	04

Major spare parts and standby equipment which are expected to be used for more than one period, and which can be used only in connection with an item of Property, Plant and Equipment are recognized as Property, Plant and Equipment. Such spare parts and standby equipment are depreciated over the remaining useful life of the related parent asset. However, where the useful life of the spare part is different from that of the related parent asset, depreciation is provided over the useful life of the spare part itself.

Notes accompanying financial statements

Depreciation on power distribution assets is provided at the rate of depreciation notified by Central Electricity Regulatory Commission (CERC).

Buildings and pipelines related to River Water System, Tertiary Treatment Plant and Water Treatment Plant are depreciated on Units of Production Method.

The estimated useful lives and residual values are reviewed at the end of each year and if necessary, changes in estimates are accounted for prospectively.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sale proceeds and the carrying amount of assets and is recognized in the Statement of Profit and Loss.

The company follows a plan of physical verification of items of Property, Plant and Equipment to ensure full coverage over 3 years in a phased manner. This would provide adequate control having regard to the nature of assets and the operations of the Company.

2.7 Investment properties (Freehold Land):

Property (Freehold Land) that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment properties are measured initially at its cost, including related transaction costs, and where applicable borrowing costs. Subsequent expenditure including mandatory & unavoidable expenditure incurred on creation of infrastructure at R&R colony is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized. The construction of infrastructure inextricably linked to the core and integral part of overall SEZ development is capitalized as part of the cost of land.

2.8 Intangible Assets**(i) Intangible Assets and Amortization**

Intangible assets acquired are measured on initial recognition at cost.

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably and are amortized under straight line method as follows:

- Specialized software over a period of 5 years from the month of addition.
- Cost of Barrage usage Rights is amortized on a straight line basis over the lease period/life of the underlying asset whichever is less and determined at 25 Years.

(ii) De-recognition of Intangible Assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. When the asset is derecognized, Gains or losses, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized as impairment in the Statement of Profit & Loss.

Notes accompanying financial statements**2.9 Impairment of Assets**

The Company reviews the carrying amount of its Property, Plant and Equipment (including Capital Works in progress) and intangible asset annually to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

An assessment is made annually as to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of impairment loss are recognized in the Statement of Profit and Loss.

2.10 Inventories

Inventories are valued at lower of cost (weighted average method) and net realizable value.

Unserviceable and scrap items, when determined, are valued at estimated net realizable value less all costs necessary to make the sale.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.11 Revenue recognition

Under Ind AS 115, Revenue is recognized on satisfaction of performance obligation, which is measured at the amount of transaction price, net of variable consideration as part of contract, allocated to that performance obligation.

a) Sale of Goods

Revenue arising from sale of goods is recognized when the control is passed to the buyer and the company does not retain any managerial involvement in the goods transferred and the amount of revenue can be measured reliably.

1. Income from supply of River water and Tertiary Treated Plant are recognized on the basis of quantity committed/delivered to the units and invoiced at the agreed rates.
2. Income from distribution of power is recognized as per actual consumption billed at Karnataka Electricity Regulatory Commission (KERC) approved tariff.

Notes accompanying financial statements
b) Sale of Services and Other operating revenues

Revenue from services and Other operating revenues is recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits associated with rendering of services will flow to the Company, the amount of revenue can be measured reliably.

- Operation and Maintenance charges (O&M) and CETP Treatment & Usage Charges are recognized based on the agreed rates with the units.
- Marine outfall usage charges, Corridor Usage charges, CETP joining fees, internal corridor charges received in advance are recognized over the useful life of the asset on a proportionate basis.

c) Other Income:

- Capital Gains are recognized based on the receipt of the redemption proceeds from the Liquid Mutual Funds
- The Liquid Mutual funds are on Marked to market based on the closing NAV. Gain or Loss is accounted accordingly
- Dividend income from the investments is recognized when the right to receive payment is established
- Interest income from financial assets is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is that rate exactly discounts the estimated future cash receipts through the expected life of the financial asset to that assets net carrying amount on initial recognition.
- Rental and other charges for usage of long term assets of the company which do not partake the character of lease, are recognized as and when they fall due as per the terms of the agreements.

2.12 Leases

The Company has adopted Ind AS 116 "Leases" effective 1st April, 2019, as notified by the Ministry of Corporate Affairs (MCA) vide Companies (Indian Accounting Standard), Amendment Rules, 2019, using the modified retrospective method.

On transition, the adoption of the standard resulted in recognition of Right-to-Use assets with corresponding equivalent lease liabilities.

Lease Income and Lease rentals paid are recognized in accordance with the recognition and measurement principles as per Ind AS 116.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

A lease is classified at the inception date as a finance lease or an operating lease.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to the ownership of an asset. Lease other than financial lease are classified as operating lease.

AS LESSEE:

Land acquired from KIADB on a long term lease cum sale and to be converted into a sale subject to fulfillment of the terms and conditions is treated as finance lease and recognized under Investment Property.

Notes accompanying financial statements

Operating lease payments are recognized as an expense on a straight-line basis over the lease term. Prepayments towards operating lease are amortized on straight line basis over the period of the lease. Contingent rentals, if any, arising under operating leases are recognized as an expense in the period in which they are incurred.

AS LESSOR:

Lease agreements with a definite term with no stipulation for transfer of the ownership of the asset by the end of the lease term or for further renewal are treated as operating lease.

Lease Premium:

Lease Premium received/receivable are recognized on straight line basis over the lease term as specified in the lease agreements.

One time Right of Way (RoW)/Joining fees:

The one-time RoW charges/joining fees received/receivable for use of assets are amortized over the useful life of the asset or period of the agreement, whichever is earlier.

Lease Rentals:

Lease rentals are recognized as & when they fall due as per the terms of the lease agreements.

2.13 Foreign Exchange Transaction

The functional currency of the Company is Indian Rupees which represents the currency of the economic environment in which it operates.

A foreign currency transaction is recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

At the end of each reporting period:

- a. Foreign currency monetary items are translated using the closing rate.
- b. Non Monetary items measured in terms of historical cost in foreign currency are translated using the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition or in the previous financial statements are recognized in the statement of profit and loss of the period.

2.14 Employee Benefits

a) Short term employee benefits:

Short term employee benefit are recognized in the year in which the service has been rendered by the employees and measured at cost.

All short term employee benefits are recognized at the undiscounted amount in the accounting period in which they are incurred.

b) Post-employment benefits

- i. **Defined Contribution Plans:** The provident fund scheme and the employee pension scheme are defined contribution plans. The contribution paid / payable under the schemes are recognized during the period in which the employee renders the related service.
- ii. **Defined Benefit plans:** The employee's gratuity liability is the company's defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial

Notes accompanying financial statements

valuation using Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the term of related obligations.

Actuarial gains and losses are recognized immediately in Other Comprehensive Income (OCI).

c) Long term employee benefits

The obligation for long term employee benefits such as long term compensated absences is recognized in the same manner as in the case of defined benefit plans as mentioned in (b) (ii) above.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Re-measurements are not reclassified to profit or loss in subsequent periods.

2.15 Taxes on Income

Income tax expense represents the aggregate of Current tax and Deferred tax.

(i) Current tax

Current tax is the amount of Income tax payable in respect of the taxable profit for a period.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect of situations in which applicable tax regulations re subject to interpretation ad establishes provisions where appropriate.

(ii) Deferred Tax

Deferred tax is recognized on deductible/taxable temporary differences between the carrying amounts of assets and liabilities in the Financial Statement and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. In the absence of virtual certainty of the recoverability, deferred tax on impairment provision is not considered as per prudent practise followed by the company consistently.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Notes accompanying financial statements

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to get future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realized.

(iii) Current and deferred tax for the year

Current and deferred tax are recognized in the Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

2.16 Borrowing Costs

Borrowing costs specifically identified in the acquisition or construction of qualifying assets is capitalized as part of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss applying the "effective interest method" as described in Ind AS 109, *Financial Instruments*.

Borrowing Cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.17 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts where an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

2.18 Financial instruments

A Financial Instrument is a contract that gives rise to a financial asset or a financial liability or an equity instrument of another entity.

Financial assets and financial liabilities are recognized when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than

Notes accompanying financial statements

financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

2.19 Financial assets**Cash and cash equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost using the effective interest/risk adjusted rate method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. Financial assets in the form of trade receivables are initially measured at their transaction price unless those contain significant financial components measured in accordance with Ind AS-115.

Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure.

- a) Lease receivables under Ind AS 116.
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 116

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Notes accompanying financial statements

For recognition of impairment loss on other financial assets and risk exposure, the group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the cost of borrowing. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL impairment loss allowance (or reversal) recognized during the period is recognized in the statement of profit and loss (P&L). This amount is reflected under the head 'Net impairment loss on financial assets' in the Statement of P&L. The balance sheet presentation for various financial instruments is described below:

Derecognition of financial assets

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.

2.20 Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit and loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and delivered financial instruments.

The measurement of the financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit or loss include liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated

Notes accompanying financial statements

embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk is recognized in OCI. These gains/losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

The category generally applies to borrowings.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Financial liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

De-recognition of financial liabilities

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognized and the consideration paid and payable is recognized in the Statement of Profit and Loss.

2.21 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by

Notes accompanying financial statements

dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.22 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.23 Operating Segments

Operating Segments are identified based on the business activities from which they earn revenue and incur expenses and whose operating results are regularly reviewed by the entities Chief operating decision maker and for which discrete financial information is available.

2.24 Critical Accounting Judgments and Key Sources of Estimation Uncertainty

Application of many of the accounting policies used in preparing the Financial Statements, MSEZL Management makes judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of judgments and estimation of uncertainty in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment, useful lives of Property, Plant and Equipment, retirement benefit obligations, provisions, valuation of deferred tax assets and contingent assets & liabilities.

2.25 Critical judgments in applying accounting policies

The following are the critical judgments, apart from those involving estimations (Refer note 56), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

2.26 Key sources of estimation uncertainty

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

a) Impairment of assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired, if any indication exists, or when annual impairment testing for an asset is required, the Company estimates that asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or groups of assets, when the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks

Notes accompanying financial statements

specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment losses of continuing operations, including impairment on investments, are recognized in the statement profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation surplus.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the company estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

b) Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

3(i) The company has taken borrowings from bank which carry charge over all the assets of the company (refer Note no.20 towards security and pledge).

3(ii) All the title deeds of immovable Property, Plant and Equipment, except the lease assets, are held in the name of the Company.

3(iii) Refer Note no.55(a) for disclosure of contractual commitments for acquisition of Property, Plant & Equipment.

3(iv) Corridor Asset:

In the development of the Special Economic Zone (SEZ), the Company has set up a Pipeline-cum-Road Corridor Project from New Mangalore Port Trust (NIMPT) to Mangalore SEZ (MSEZ). The project has been developed and capitalized entirely during FY 20-21 on a self-sustainable, cost and revenue model under an agreement with two customers viz., MRPL and MRPL Aromatic SEZ Unit.

In terms of the agreement:

- All the three parties have contributed in equal shares towards cost of the project.
- The title, ownership, possession and maintenance of the assets vests with MSEZL only.
- MRPL and MRPL Aromatic SEZ Unit have been given perpetual rights to use the corridor for specified width leaving substantial width of the corridor for commercial exploitation by MSEZL.
- The 'usership fee' relating to the width allocated to MRPL and MRPL Aromatic SEZ Unit on 'cost basis' is adjusted against the contribution and the balance is also treated as 'user fee' but reckoned for 'residual contribution'.
- The revenue on the corridor project from third party customers accrue to the three parties in the ratio of their 'residual contributions'.

Note No. 45: Financial Ratios

	Particulars	31-Mar-26			31-Mar-25			% Variance	Reasons if variance is more than 25%
		Reference	Amount Rs. in lakh	Ratio	Reference	Amount Rs. in lakh	Ratio		
(a)	Current Ratio, (i/ii)			1.68			1.76	-4.21%	
	Current assets (i)	As per BS	15,189.34		As per BS	12,387.44			
	Current liabilities (ii)	As per BS	9,020.97		As per BS	7,046.89			
(b)	Debt-Equity Ratio, (i/ii)			0.08			0.23	-63.90%	The Debt-Equity Ratio decreased significantly during the year primarily due to substantial prepayment of borrowings amounting to Rs. 13,923.44 lakhs during the period. Additionally, the increase in net equity by Rs. 14,022.67 lakhs during the year also contributed to the reduction in the ratio compared to the previous year.
	Debt (i)	Note No: 20	9,698.48		Note No: 20	23,621.92			
	Equity								
	Equity	As per BS	11,870.76		As per BS	5,052.43

- (ii) Valuation technique used to determine fair value

Financial instruments measured at fair value

The valuation technique used to value financial instruments at fair value is based on the quoted market prices of mutual funds recognized at their closing NAV per unit.

The fair value of security deposits is determined using cost of borrowing.

Notes accompanying financial statements
Note No. 46 (C): Financial Risk Management - Objectives and Policies

The Company's financial liabilities comprises mainly of viz., term loan borrowings, trade payables and other payables. The Company's financial assets comprises mainly of cash and cash equivalents, trade receivables, investments in mutual funds and other receivables.

The Company has financial risk exposure in the form of viz., market risk, credit risk and liquidity risk. The Risk Management Committee under the Board of Directors oversees the risk to which the Company is exposed and operates.

The present disclosures made by the Company summarizes the exposure to the financial risks.

1) Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market price comprises three types of risk: currency risk, interest rate risk and other price risk. The financial instruments affected by market risk includes rupee term loan and loans & advance.

a) Interest Rate Risk exposure

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company has availed significant rupee term loans at floating interest rates from State Bank of India, New Delhi. The interest rate is one month MCLR rate of SBI plus spread 0.25% (w.e.f.16-12-25) and the interest rate is reset on a monthly basis. The Company has not entered into any of the interest rate swaps and hence, the Company is exposed to interest rate risk.

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

Rs. in Lakhs

Details	31-Mar-26	31-Mar-25
Variable rate borrowings	9,698.48	23,621.92
	9,698.48	23,621.92

As at the end of the reporting period, the company has the following variable rate borrowings outstanding:

31-Mar-26				31-Mar-25			
	Weighted average interest rate	Balance Amount in Rs. lakh	% of total loans		Weighted average interest rate	Balance (*) Amount in Rs. lakh	% of total loans
Rupee term loan	9.04%	9,698.48	100%	Rupee term loan	8.60%	23,621.92	100%
Exposure to cash flow interest rate risk		9,698.48	100%	Exposure to cash flow interest rate risk		23,621.92	100%

Notes accompanying financial statements
Interest Rate Sensitivity analysis

The Company considering the economic environment in which it operates has determined the interest rate sensitivity analysis (interest exposure) at the end of the reporting period. The interest rate for the Company are floating rates and hence, the analysis is prepared assuming the amount of the borrowings outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point +/- fluctuation in the interest rate is used for disclosing the sensitivity analysis.

Rs. in Lakhs

Sensitivity	Impact on Profit before tax	
	31-Mar-26	31-Mar-25
Interest rates - increase by 50 basis points	83.30	153.96
Interest rates - decrease by 50 basis points	(83.30)	(153.96)

The interest rate sensitivity analysis is done holding on the assumption that all other variables remaining constant.

The increase/decrease in interest expense is directly attributable to the Company's exposure to interest rates on its variable rate of borrowings.

b) Foreign currency risk exposure

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The Company undertakes transactions in Indian Rupees and its borrowings/loans payable & trade receivables are also denominated in Indian Rupees and hence, there is no exposure to foreign exchange operations and as such no rate fluctuations involves.

Foreign currency rate sensitivity analysis:

Since, there is no foreign currency risk, sensitivity analysis for the same does not arise

c) Other price risk

Other price risk is the risk that the fair value of a financial instruments will fluctuate due to changes in market traded prices. The Company invests in liquid fund - Direct plan Daily IDCW (Cash). The Company's equity investment in its subsidiary is not held for trading and hence, there is no risk of price movement.

2) Credit Risk

The Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investment in mutual funds, Bank balances and other receivables.

The Company primarily deals with the units/consumers operating inside the Mangalore Special Economic Zone (MSEZ). The units/consumers are the industries who have invested in MSEZ for setting up their industry. The Company enters into MOU/Lease deed for lease of land, RoW agreements for use of assets & receives on-time lease premium (as per agreed milestones). The company also collects annual lease rentals and RoW charges. The Company supplies water; power and provides services to units/consumers through pre-determined contracts and agreed rates. In so far as supply of power is concerned, the Company charges tariff based on the approved tariff by regulatory commission. The Company's exposure are continuously monitored and the aggregate value of transactions is reasonably spread amongst the units. The Company upon entering into MOU/lease agreement for balance leasable land with the prospective units/consumer would receive one-time lease premium and annual rentals and concurrently, would also receive steady operating cash flows through sale of products and supply of services.

Notes accompanying financial statements

The credit risk arising from the exposure of investing in mutual funds and bank balances is limited and there is no collateral held against these because the counterparties are the recognized financial institutions and public sector banks, which are creditworthy.

The credit period in majority of the trade receivables range from 7 days-15 days and average credit period is less than 30 days. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. The concentration of the credit risk is generally limited due to fact that the area of operation of the Company is confined to one geography (MSEZ) and the number of units/consumers are also limited, wherein again the credit risk mitigated through pre-existing contract obligations.

For trade receivables, as a practical expedient, the Company computes the credit loss allowance if there is life-time expected credit losses and fair value loss measured at present value, based on long term G-sec rate.

Movement in expected credit loss allowance on trade receivables
Rs. in Lakhs

Particulars	31.03.2026	31.03.2025
Balance at the beginning of the year	178.17	218.13
Impairment loss	7.31	17.53
Reversal of impairment loss	(0.35)	(57.49)
Balance at the end of the year	185.13	178.17

3) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly to meet obligations when due. The Company's exposure to liquidity risk arises primarily from mismatches of values of the financial assets and liabilities.

The Company manages the liquidity risk by (i) maintaining adequate and sufficient cash and cash equivalents including investments in mutual funds (ii) making available the funds from realizing timely maturities of financial assets to meet the obligations when due. The management monitors rolling forecast of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. Also, the Company manages the liquidity risk by projecting cash flows considering the level of liquid assets necessary to meet the obligations by matching the maturity profiles of financial assets and financial liabilities and monitoring balance sheet liquidity ratios. Further, the liquidity risk management involves matching the maturity profiles of financial assets and financial liabilities.

The company makes an annual/long term financial plan so as to ensure there are no maturity mismatches in settlement of liabilities.

Note No. 46 (D): Capital Management

The Company's objective when managing capital are to:

- safeguard the Company's ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may vary the distribution of dividends to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

As at March 31, 2026, the Company has only one class of equity share and rupee term loan. Consequent to such

Notes accompanying financial statements

capital structure, there are no externally imposed capital requirements.

The capital structure of the Company consists of debt (borrowings as detailed in note 20) and total equity including advances received from units towards lease of land and use of infrastructure facilities of the Company and monitors capital, based on this capital structure's gearing ratio.

The gearing ratio at the end of the reporting period is computed as follows:

Rs. in Lakhs

Particulars	As at 31.03.2026	As at 31.03.2025
i) Debt	9,698.48	23,621.92
ii) Equity share capital	5,000.12	5,000.12
iii) Other equity	6,870.64	52.31
iv) One time non-refundable amounts from customers	1,04,385.12	97,180.78
v) Total equity [(ii) + (iii) + (iv)]	1,16,255.88	1,02,233.21
vi) Debt to equity ratio (times) - [i/iv]	0.08	0.23

Note No.47: Segment reporting

The company has only one operating segment i.e. Development, Operation & Maintenance of Mangalore Special Economic Zone.

6	Less: Inter group eliminations	-	-
7	Total lease liabilities (5-6)	2,147.17	2,208.20

Note No. 49: Leases - As lessor
Lease of land
(i) Finance Lease:

The Company has obtained on a lease-cum-sale basis from Karnataka Industrial Area Development Board (KIADB) vide lease-cum-sale agreement dated 28.12.2010. The lease is for a period of 50 years. The lease agreement with KIADB stipulates various conditions related to lease, including in relation to the manner in which the Company will obtain freehold title of land. The Company is reasonably certain to obtain freehold title, since the terms and conditions for conversion to freehold land has been fulfilled and have already applied to KIADB for absolute sale deed in favour of the Company. Since, reasonable certainty exists that ownership of the asset - land the economic ownership of the land ab initio would eventually pass on to the Company the land is accounted as a tangible asset of the Company e.g. Leasehold land convertible into freehold. Thus in substantive terms, the Company has acquired a tangible asset - only in legal terms the conversion into freehold status is pending.

The Company paid leasehold premium upfront and same has been capitalized. Also, refer to Note No.43 on 'Title deeds not held in the name of the Company'

(ii) Operating Lease

The Company has sub leased land inside MSEZ (lease-cum-sale land acquired from KIADB) on operating lease to various units. The sub-lease are long term in nature and the period of sub-lease with the units is coterminous with that of the lease period entered into by the company with KIADB i.e. Until 26th January 2060. The sub-lease are non-cancellable and does not include contingent rent. The subleases are renewable for a further period on substantial terms as specified in the lease agreements.

The total future rentals receivable as at March 31, 2026 (based on the agreements concluded with the units) is as under:

(Rs in lakhs)

Particulars	As at 31.03.2026	As at 31.03.2025
Not later than one year	3,202.67	12,306.36
Later than one year and not later than five years	2,885.03	2,189.03
Later than five years	19,002.29	19,108.58

Notes accompanying financial statements
Note No. 50: Employee Benefits
(i) Post-employment benefits

Brief Description: A general description of the type of employee benefit plan is as follows:

Defined benefit gratuity plan (Funded):

The company has a defined benefit gratuity plan for its employees. It is governed by Payment of Gratuity Act, 1972. Under the said Act employees who have completed five years of service are entitled to gratuity benefits. The level of benefit provided depends on the employee's length of service and last drawn salary. The valuation considers the provisions of the Code on Social Security, 2020, including the revised definition of wages, wherever applicable.

The present value of the defined benefit obligation and the related current service cost and past service cost, were measured using the projected unit credit method (PUCM).

This post-employment plan typically expose the Company to actuarial risks such as: Investment risk, interest rate risk, longevity risk and salary risk.

Investment Risk	The present value of the defined benefit liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest rate Risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments.
Longevity Risk	The present value of the defined benefit liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined benefit liability is calculated by reference to the future salaries of plan participants. As such, an increase in salary of the plan participants will increase the plan's liability.

Asset Liability Matching Risk: The Company maintains plan assets with LIC under a Group Gratuity Scheme based on actuarial valuation. Consequently, the risk arising from asset-liability mismatch is mitigated.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

The company has implemented the benefit scheme in line with Payment of Gratuity Act, 1972. The monetary ceiling of gratuity payable to the employees has been changed from Rs.10 Lakhs to Rs.20 Lakhs.

The most recent actuarial valuation of the plan assets and the present value of defined obligation was carried out as at March 31, 2026. Consequent to the implemenation of the new Labour Code effective from 21.11.2025, the Company has recognised past service cost amounting to Rs.27.31 lakhs in the Statement of Profit and Loss for the year ended 31.03.2026.

Notes accompanying financial statements

The principal actuarial assumptions used in determining Gratuity are as follows:

Rs. in Lakhs

Sl. No	Particulars	As at 31.03.2026	As at 31.03.2025
1	Expected return on Plan assets	7.40%	6.81%
2	Discount Rate	7.40%	6.81%
3	Annual increase in salary	6.00%	6.00%
4	Employee Turnover	1.00%	1.00%
5	Mortality Rate During Employment	"Indian Assured Lives Mortality 2012-14 (Urban)"	"Indian Assured Lives Mortality 2012-14 (Urban)"

The discount rate relates to the benchmark rate available on G.Sec. and is taken as per deal rate as on 31.03.2026. The tenure of the G.Sec. Rate matches with the expected term of the obligation.

The following table summarize the components of the defined benefits expense recognized in the statement of profit or loss/OCI.

Rs. in Lakhs

Particulars	Year 2025-26	Year 2024-25
Interest cost	12.85	11.24
Current Service cost	10.39	9.57
Past Service Cost	27.31	-
Interest income	(10.42)	(10.83)
Components of defined benefit costs recognized in profit or loss	40.13	9.98
Re-measurement on the net defined benefit liability	(11.46)	11.50
Return on Plan Assets, Excluding Interest Income	(0.84)	(0.53)
Components of remeasurement recognized in other comprehensive income	(12.30)	10.96
Total	27.83	20.94

The following table summarize the components of the defined benefits expense recognized in the Balance sheet

Rs. in Lakhs

Particulars	As at 31.03.2026	As at 31.03.2025
Present value of benefit obligation at the end of the Period	206.19	178.00
(Fair Value of plan assets at the end of the period)	151.77	151.42

Current	29.49	24.23
Non-Current	24.92	2.35

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below have been determined based on the reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all the other assumption constant.

Sensitivity analysis	As at 31.03.2026	As at 31.03.2025
Projected benefit Obligation on Current Assumptions	206.19	178.00
Discount Rate		
-Impact due to increase of 1%	(17.31)	(15.63)
-Impact due to decrease of 1%	19.73	17.93
Salary increase		
-Impact due to increase of 1%	13.96	14.09
-Impact due to decrease of 1%	(13.75)	(13.24)
Employee Turnover		
-Impact due to increase of 1%	3.08	1.51
-Impact due to decrease of 1%	(3.37)	(1.67)

Notes accompanying financial statements

Sensitivity analysis is an analysis which will give the movement in liability if the assumptions were not proved to be true on different count. This only signifies the change in the liability if the difference between assumed and the actual is not following the parameters of the sensitivity analysis.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognized in the balance sheet.

(ii) Other employee long term benefits
Actual Leave and Sick leave assumptions

Compensated absences - Earned leave eligibility is 25 days per annum and sick leave 12 days per annum. Encashment permitted up to a maximum of 300 days per employee.

The liability towards compensated absences (annual leave and sick leave) for the year ended 31st March, 2026 is based on actuarial valuation carried out by using Projected Unit Credit Method resulted in increase in liability by Rs.30.01 lakhs (Previous year increase by Rs.6.85 lakhs).

Notes accompanying financial statements
Note No. 55 b. Contingent liabilities

The claims against the company not acknowledged as debt is Rs.165.25 lakhs (previous year Rs.165.25 lakhs). The details are as under

Sl. No.	Petitioner	A brief description nature of court cases	Estimate of the financial effect - Amount in Rs. lakhs	Indication of the uncertainties relating to the amount or timing of any outflow
1.	Mr. Ravindranath Bajpe	The Company had laid the water pipeline by the side of Mangalore-Bajpe Old Airport PWD Road abutting the schedule properties and other properties on the same line commencing from Nethravathi River Bank at sarapady to MSEZ Industrial area. While carrying out works near the plaintiffs (Ravindranath Bajpe) property, had contended that Company officials & contractors have trespassed his property and demolished the stone compound wall of 7 feet height, foundation of 3 feet height beneath the ground & 2 feet wide to the extent of about 500 meters and also cut & destroyed about 101 valuable trees and laid pipeline beneath the schedule properties about to extent of 500 meters. Therefore, Ravindranath Bajpe has filed an Original Suit before the civil court directing the defendants jointly and severally to pay a sum of Rs 47,90,500/-	47.91	1. Ravindranath Bajpe filed a criminal complaint against the Company, its officials and Directors at JMFC Court, Mangalore. Then the Company filed a criminal revision petition at the District Court to set aside the summons issued by JMFC court. The District Court upheld the petition filed by the Company. (2) Ravindranath Bajpe challenged the order passed by the District Court at the Karnataka High Court which was also dismissed (3) The party again filed a SLP before the Supreme Court which had been dismissed. (4) In the meantime, the party also filed a civil case at the District Court in which the District Court has allowed his relatives also to implead, which was challenged by the Party in the High Court. (5) The High Court has disposed the case due to the death of the party and the matter is now pending for further hearing at the District Court. (6) The Party has made a huge claim which is baseless & far from truth. However, the Company has withheld the amount from the contractor's payment towards the claim that may arise in the case.

Notes accompanying financial statements

2.	Cherian Varkey Construction Company (CVCC)	The petitioner was awarded the Reach IV contract forming part of Pipeline cum Road Corridor on August 2011. The petitioner had failed to complete the awarded contract as per milestones. Due to which the contract was extended. The petitioner has also stopped the work in an unauthorized manner on multiple occasions. Due to non-handing over of the front for executing work on Part A of the contract within the original contract period, the petitioner was seeking increase in rates for items covered under BOQ. The contract entered between the Company and petitioner being a fixed price contract did not provide for escalation of rates and compensation events to deal with instances of delay in handing over fronts. The intransigence on part of the petitioner lead to delay in works. Hence, the contract was terminated with immediate effect on 06.11.2013 and all Bank Guarantees furnished by the petitioner was invoked. The petitioner approached the Hon'ble District Court in Mangalore and secured a temporary injunction restraining the Company from encashing the BG. After the matter came up for argument in the Court and several adjournments, the case filed by petitioner was dismissed by Hon'ble on 05th April 2014. The petitioner has also initiated proceedings in the matter. In order to settle the dispute out of court/arbitration an opportunity for redressal through an independent committee, the Company sought consent for constituting an Outside Expert Committee (OEC) which was accepted by petitioner. The arbitration proceedings was put on hold while OEC took over the dispute resolution. The OEC has recommended the Company to pay Rs.9.39 Cr to petitioner. However, the petitioner did not accept the recommendations of the OEC and choose to pursue the Arbitration proceedings. The Arbitral Tribunal had passed the award on 24.09.2016 stating that the performance and completion of works under the contract was on account of breaches/defaults committed by the Company and termination of contract was unlawful. The Company was directed to pay to Rs.19,23,53,085. Aggrieved by the Arbitration award, the company and the Petitioner had filed a Arbitration suits contesting the Arbitration Award before the 1st Additional Dist. Session Judge, Mangaluru and matter is still pending.	MSEZL and CVCC had filed Arbitration suits no 1 & 2 /2020 in he IVth Additional District Court, Mangalore challenging the Award passed by the Arbitral Tribunal. CVCC had also filed an execution case against the Company for attaching the bank accounts of the Company to the tune of Rs.3500 lakhs, which was allowed by the District Court. The Company filed a writ petition No 4974/2020 (GM-CPC) before the Hon'ble High Court of Karnataka, Bengaluru, wherein the Hon'ble High Court vide order dated 17.03.2020 stayed the order dated 28.02.2020 passed by Its Additional District Judge, Mangaluru subject to the Company furnishing security of fixed deposit to an extent of award amount. The Company has followed the directions of High Court and executed a term deposit of Rs.1921 lakhs. Further, considering the PBG encashment of Rs.730.20 lakhs and contract retention money payable Rs.237.07 lakh, the net charge to statement of profit and loss would be Rs.2532.73 lakh. After hearing both sides in the Arbitration suits no 1 & 2/2020, perusal of the records of the learned Arbitrators and written arguments filed by both the parties, the Hon'ble IVth Additional District Judge, DK District, Mangalore was pleased to pass the Judgement in the suits on 13 Feb '24 setting aside the Award dated 24 Sep '16 and modified Award dated 27 Nov '16 passed by the Arbitral Tribunal by terming the Award shockingly perverse and illegal.
----	--	--	---

Notes accompanying financial statements

		Further, the petitioner filed an execution petition for recovery of Rs.29,13,63,551 and sought for attachment of bank accounts to the tune of Rs.3500 lakh. After several rounds of court proceedings, the 1st Additional District Judge, Mangaluru vide order dated 28.02.2020 has dismissed the contentions of the Company and passed orders to attach the bank accounts of the Company to the tune of Rs.3500 lakh. The party has approached the company for an out of court settlement and the company after deliberations has proposed for Rs.1315 lakhs as settlement amount and the same is pending for confirmation from the party.		The Fixed Deposit Certificate of Rs 1921 lakhs kept by the company at the District Court has also been released. CVCC have filed a Commercial Appeal at the High Court challenging the Judgment of the District Court. The appeal is in the Admission Stage.	
b. Contingent liabilities					
Sl. No.	Petitioner	A brief description nature of court cases	Estimate of the financial effect - Amount in Rs. lakhs	Indication of the uncertainties relating to the amount or timing of any outflow	
3.	Office of The Commissioner of Customs, Mangalore	The Company received a Show Cause Notice (SCN) dated 28.3.2022 from the Customs department seeking a clarification as to why customs duty on the clearances of crushed rock during the period April 2017 to February 2022 should not be demanded and recovered as per the applicable customs Act along with the applicable interest.	117.34	The Company has entered into a MoU with M/s Trident Infrastructure for sale of boulders/rock against which Trident has paid for supply along with applicable taxes levied by the Company. M/s.Trident Infrastructure would crush the boulders and sell them in DTA by paying applicable duties and taxes at his cost. Now, the Department has issued SCN to the Company demanding payment of Customs duty on the crushed rock cleared by Trident Infrastructure to DTA. The SCN issued by the Department on DTA clearances made by Trident Infrastructure is erroneous. The Company has filed a writ petition no. 8438 dated 18.4.2022 before the Karnataka High Court. The same was listed on 19.4.2022 and the High Court granted an interim order against the operation of the SCN until further order. In any case, the liability to pay the customs duty falls on M/s. Trident Infrastructure as the crushed rocks were moved out to DTA by Trident Infrastructure. M/s Trident Infrastructure have given undertaking to pay the applicable Customs duty under protest and have been transporting crushed rock to the DTA by filing the Bill of Entry and paying the applicable Customs duty under protest in advance. The matter is in the arguments stage at the High Court.	
		Total Contingent liability	165.25		

Notes accompanying financial statements

Note No.55 (c) : A brief description of other court cases - Non Contingent in nature				
Sl. No.	Cases filed	Particulars	Amount in Rs.lakhs	Brief Description
1.	Cardolite Specialty Chemicals India LLP	The Cardolite Specialty Chemicals India LLP (a unit in MSEZ) has filed a writ petition in the Hon'ble High Court, Karnataka against the tariff order passed by Karnataka State Electricity Commission (KERC)	79.33	The matter came up for hearing on 10 Dec '21 during which a joint memo was filed regarding an interim arrangement to the effect that Cardolite shall furnish BG of Rs 79.33 lakhs which shall be kept current and valid till disposal of the petition and the payment to be made under the Bank Guarantee shall be subject to orders of the Hon'ble Court and the outcome of the litigation. The Court ruled that subject to the aforesaid, MSEZL shall provide its consent to the Cardolite to avail open access power. Subsequently NOC for availing open access has been given to Cardolite on 22 Dec '21 after furnishing of the BG to the Court. Thereafter, Cardolite obtained an interim order from the Court through an Interlocutory Application in which MSEZL was directed to share its Business fof FY 2011-12 with Cardolite. MSEZL appealed against the Order before the Division Bench which set aside the Order and referred the matter back to the Single Judge to examine the entire matter along with the IA on merits. The Judge has heard the final arguments of the counsel of MSEZL, KERC and Cardolite on 04.11.2024. Date for further proceedings is awaited.
2.	Various parties	Various petitioners have filed cases under the Relief and Rehabilitation package notified by GoK Notification No: RD 309 REH 2006 dtd: 20-06-2007.	610.0	The cases pertain to re-categorisation or benefits under the R&R policy where the company is not the main respondent in majority of the cases. The company does not foresee any liability arising from such cases.

Notes accompanying financial statements**Note No. 56: Critical judgments in applying accounting policies****I. Recognition of Revenue**

(a) The Company's power distribution business is rate regulated by Karnataka Electricity Regulatory Commission (KERC). Thus, the Company files Annual Revenue Requirement (ARR) & tariff application and Annual Performance Report (APR) before KERC. The KERC passes tariff order determining the retail supply tariff to be charged to Consumers. For, the current financial year 25-26 the revenue is recognized based on the KERC tariff order dated 27.03.2025. Further, the KERC also carries out true-up exercise of audited annual accounts of power distribution business and subsequently issues the APR order determining the revenue deficit/surplus. The company has filed APR for FY 24-25 on 28.11.2025 and the orders are awaited.

II. Recognition of borrowing cost

Borrowing costs are charged to the Statement of Profit & Loss applying the effective interest method. The interest charged on the loan is 25 basis point plus one month Maximum Commercial Lending Rate (MCLR) rate of the Lender. If the Lender changes the MCLR rate, the effective rate of interest will also change resulting in reduction or increase in interest cost.

III. Estimated useful life of tangible and intangible assets

(a) The Company has estimated the useful life of certain assets based technical evaluation and that of certain assets based on useful life as specified in Schedule-II to the Companies Act, 2013. The Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The estimated useful life and residual values are reviewed at the end of each financial year and if necessary, changes in estimates are accounted. The Company has adopted unit of production method for charging depreciation in respect of River Water Assets and Tertiary Treatment Plant assets (both excluding Electrical Installations and Equipment) Under unit of production method, the Management estimates the production likely to be achieved in future years. The actual productions are reviewed at the end of each financial year and if necessary, changes in estimation are accounted.

(B) The Company amortizes the cost of barrage useful usage rights on a straight-line basis over the lease period.

IV. Impairment of Trade Receivable

The impairment provision for financial assets is based on the assumption about risk of default and expected loss rates. The Company uses judgments in making these assumptions and selecting the input impairment calculation based on the Company past history as well as forward looking assumptions at the end of each reporting period.

V. Income taxes

The computation of advance taxes, provision for current/deferred tax are made based on significant judgments and which may get revised pursuant to position taken by the tax authorities.

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF MANGALORE SEZ LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Mangalore SEZ Limited ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March 2026, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Cash Flows, the Consolidated Statement of Changes in Equity, for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2026, of consolidated Profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to the audit of the consolidated financial statements under the provisions of the Act and the rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial Statements and our auditors' report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of these consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated

financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the

appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of one subsidiary whose financial statements reflect total assets of Rs.251.92 lakh as at 31st March 2026, total comprehensive income of Rs. NIL and cash and cash equivalents amounting to Rs. 50.28 lakh for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors, whose reports have been furnished to us by the management and our opinion in the consolidated financial statements in so far as it related to the amounts and disclosure included in respect of the aforesaid subsidiary, and our report in terms of subsection (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2026 taken on record by the Board of Directors of the Company and its subsidiaries incorporated in India and the reports of the statutory auditors of its subsidiary companies incorporated in India none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate Report in "Annexure A" which is based on the auditor's reports of the Company and its subsidiary companies incorporated in India.
 - g) According to, the information and explanation given to us by the management, no managerial remuneration has been paid/provided to any director of the Company during the year.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11" of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group - Refer Note No.53(b) to Consolidated Financial Statements.
 - ii. The Group did not have any long-term contracts, including derivative contracts; and
 - iii. There has not been an occasion during the year under report to transfer any sums to the Investor Education and Protection Fund by the Holding company or its Subsidiary Companies. Therefore, the question of delay in transferring such sums does not arise.
 - iv. (a) The management has represented that, to the best of its knowledge and belief other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person(s) or entity(ies), including foreign entities ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group ("Ultimate

Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Group from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures we have considered reasonable and appropriate in these circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend is declared or paid by the Group during the year and hence, compliance with section 123 of the Companies Act, 2013 is not applicable to the Company.
- vi. Based on our examination which included test checks and that performed by the respective auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, the company, subsidiaries have used an accounting software for maintaining its books of account for the financial year ended March 31,2026 which has a feature of recording audit trail (Tally edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditors of the above referred subsidiaries did not come across any instance of audit trail feature being tampered with.

The audit trail has been preserved by the company and its subsidiaries, as per the statutory requirements for record retention. Our examination of the audit trail was in the context of an audit of financial statements carried out in accordance with the Standard of Auditing and only to the extent required by Rule 11(g) of the Companies (Audit and Auditors) Rules,2014.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in clause (xxi) of the paragraphs 3 and 4 of the Order.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Mangalore SEZ Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of MANGALORE SEZ LIMITED (hereinafter referred to as "Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to 'provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipt and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, generally, in all material respects, have an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Statement of Consolidated Cash Flows for the period ended 31st March, 2026

Rs. in Lakhs

Particulars	Year		Year	
	2025-26		2024-25	
A. CASH FLOW FROM OPERATING ACTIVITIES:				
Profit before tax	8,848.04		4,257.19	
Adjustments for:				
- Depreciation and amortisation expense	3,453.74		3,495.50	
- Net Impairment loss on financial assets	7.31		(39.96)	
-Interest on Borrowings	1,581.57		2,727.84	
-Interest on lease liability	199.43		203.98	
-Provision for Gratuity	40.13		9.98	
-Provision for Leave Encashment	49.32		30.65	
-Provision for bonus	0.60		1.31	
-Provision for other Employee benefits	94.40		92.76	
-Interest on income tax	1.99		-	
-Interest Income	(500.62)		(326.13)	
-Dividend income	(204.56)		(324.62)	
-Deferred Government Grant	(82.50)		(82.50)	
-Interest on income tax refund	-		(7.64)	
-Other (describe) - (Profit)/Loss on sale of asset	24.57		15.05	
Operating Profit before Working Capital Changes	13,513.41		10,053.41	
Adjustments for:-				
-(Increase)/decrease in Trade and other receivables	(980.68)		(56.91)	
-(Increase)/decrease in Other assets	(620.36)		(302.34)	
-Increase/(Decrease) in Trade payable and other liabilities	8,983.52		12,975.78	
Increase/(Decrease) in provisions	(113.56)		(116.52)	
Cash generated from Operating activities	20,782.33		22,553.41	
Income Tax (Paid)/Refund	(1,475.19)		(673.12)	
Net Cash generated from Operating activities		19,307.14		21,880.29
B. CASH FLOW FROM INVESTING ACTIVITIES:				
Payments for Property, plant and equipment	(597.40)		(613.71)	
Payments for investment property	(1,634.20)		(176.05)	
Payments for Intangible assets	(6.00)		(0.67)	
Investment in term deposits	(3,353.31)		(1,043.24)	
Proceeds from maturity of term deposits	1,000.00		1,921.00	
Dividend income	204.56		324.62	
Interest received	485.07		182.78	
Net Cash (used) in Investing activities		(3,901.28)		594.73
C. CASH FLOW FROM FINANCING ACTIVITIES:				
Repayment of non-current borrowings	(13,923.44)		(14,339.13)	
Finance Cost paid	(1,575.85)		(2,712.45)	
Interest paid on lease liability	(199.43)		(203.98)	
Principal paid of lease liability	(61.03)		(51.92)	
Net Cash (used) in Financing activities		(15,759.75)		(17,307.48)
D. Net (Decrease)/Increase in cash and cash equivalents [A+B+C]		(353.89)		5,167.55
Add: Opening Cash and Cash Equivalents		7,909.04		2,741.48
Closing Cash and cash Equivalents		7,555.15		7,909.04

Notes:

- The above Cash Flow Statement has been prepared under the 'Indirect Method' as set out in the Indian Accounting Standard (Ind AS) 7 on Cash Flow statements.
- Payments for property, plant and equipment includes movement of Capital Work-in-progress during the year.
- Brackets indicate cash outflow/ deduction.
- Cash and cash equivalents as per above statement comprises as under:

Rs. in Lakh

Particulars	As at 31.03.2026	As at 31.03.2025
Balances with Banks:		
- Current account	420.08	52.11
Cash on hand	0.19	0.46
Term deposits with maturity of less than 3 months	4,530.00	3,450.56
Investment in liquid mutual funds	2,604.88	4,405.91
Cash and cash equivalents in Cash flow statement	7,555.15	7,909.04

v. Statement showing reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes

Rs. in Lakhs

Particulars	As at 01.04.2025	Cash Flows	Non-cash changes		As at 31.03.2026
			Fair value changes	Current/ Non-current classification	
Borrowings					
- Non Current	23,577.40	(13,923.44)	5.73	-	9,659.69

Notes accompanying consolidated financial statements
1. Corporate information

Mangalore SEZ Limited (MSEZ) is a Unlisted Public Limited Group domiciled and incorporated in India having its Registered Office at Survey No. 168/3A, Plot No U-1, Administrative Building, Mangalore Special Economic Zone, Bajpe Village Mangalore Taluk, Karnataka -574 142

The Group is jointly promoted by Karnataka Industrial Area Development Board (KIADB), Oil & Natural Gas Corporation Limited (ONGC) and Infrastructure Leasing and Financial Services Limited (IL&FS).

The Consolidated Financial Statements relate to the Group, its Subsidiaries and Joint Venture Entities. The Group (comprising of the Group and its subsidiaries), Joint Venture Entities and Associates are mainly engaged in the business of Development, Operation and Maintenance of Special Economic Zone & Domestic Tariff Area at Mangalore, Supply of Sewage Treated Water and Supply of power.

2. Significant accounting policies
2.1. Statement of compliance

The Consolidated Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 and Technical Guide on Accounting for Special Economic Zones (SEZs) Development Activities, issued by the Institute of Chartered Accountants of India.

2.2 Basis of Preparation

The Consolidated Financial Statements have been prepared on the historical cost basis except for certain assets and liabilities that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course due to the special nature of industry, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or noncurrent as per the Group's operating cycle and other criteria set out in Ind AS-I Presentation of Financial Statements (Ind AS-I) and Schedule III to the Companies Act, 2013.

The Consolidated Financial Statements are presented in Indian Rupees.

The Consolidated Financial Statements are presented in Indian Rupees.

Fair value Measurement

The group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

Notes accompanying consolidated financial statements

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the assets in its highest and best use.

The group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets and liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement at a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

2.3 Principles of Consolidation

The Consolidated Financial Statements incorporate the financial statements of the Company and its subsidiaries (collectively referred as "the Group"). The Group has investments in associates and joint ventures which are accounted using equity method in these consolidated financial statements. Refer note 2.4 for the accounting policy of investment in associates and joint ventures in the Consolidated Financial Statements. Subsidiaries are entities controlled by the Company.

The Company controls an entity when it is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are consolidated from the date of their acquisition being the date on which the Company obtains control and continue to be consolidated until the date that such control ceases.

The Consolidated Financial Statements are prepared using uniform accounting policies consistently for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's Standalone Financial Statements except otherwise stated. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's Significant Accounting Policies. The Consolidated Financial Statements have been prepared by combining the financial statements of the company and its subsidiaries on a line-by-line basis by adding together the book values of like items of assets, liabilities, equity, income, expenses and cash flow after eliminating in full intra-group assets, liabilities, equity, income, expenses and cash flow relating to intra-group transactions and unrealized profits.

Notes accompanying consolidated financial statements**2.4 Investments in subsidiaries**

The Group records the investments in subsidiaries at cost less impairment loss, if any.

2.5 Non-current assets held for sale Non-current assets and disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the assets or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification as held for sale, and actions required to complete the plan of sale should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

2.6 Accounting for Government Grants and Disclosure of Government Assistance

Government grants are not recognized until there is reasonable assurance that the Group will comply with the conditions attached to them and that the grants will be received.

These are recognized in the Standalone Statement of Profit and Loss on a systematic basis over the periods in which the Group recognizes the related costs for which the grants are intended to compensate.

Specifically, government grants whose primary condition is that the Group should purchase, construct or otherwise acquire non-current assets are recognized at fair value as deferred revenue and disclosed as 'Deferred revenue arising from government grant a liability in the Standalone Balance Sheet and transferred to the Standalone Statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

2.7 Property, Plant and Equipment (PPE)

Buildings held for use in the production or supply of goods or services or for administrative purposes, are stated in the Standalone Balance Sheet at cost less accumulated depreciation and impairment losses, if any.

Property, Plant and Equipment is stated at cost less accumulated depreciation and impairment losses ("Cost Model"). Cost includes of an asset comprises its purchase price or its construction costs (net of applicable tax credits) and any cost directly attributable to bring the asset into the present location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. The carrying amount of a PPE is de-recognized on disposal or when no further economic benefits are expected from its use and the gain / loss arising from such de-recognition is considered in the statement of profit and loss

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is provided on the cost of PPE less residual value, under straight-line method in accordance with the Schedule II to the Companies Act, 2013 adopting the useful life for assets as specified therein, except for the following, whose useful life have been taken on the basis of the technical certification obtained. However, the management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Notes accompanying consolidated financial statements

Asset	Useful life (in years)
Electrical Installations & Equipment's, Tensile Roofing	15
Hydraulic works, pipelines & sluices	30
Marine Pipeline Asset – Pipeline Inside Sea	15
TTP Water Membranes	10
Car Parking Shed	20
Nitrogen injection system	25
Building, Pipeline Corridor, Flyover	30
Common Effluent Treatment Plant	15
Furniture and Fixtures	10
Vehicles	08
Roads, Street light fixtures, steel structures, Corridor structure painting, Machines viz., Grass cutting, Mobile Barriers, Boom Barriers, CETP Rooftops, UPS Backup, Corridor Truss	05
MBBR Media	04

Major spare parts and standby equipment which are expected to be used for more than one period, and which can be used only in connection with an item of Property, Plant and Equipment are recognized as Property, Plant and Equipment. Such spare parts and standby equipment are depreciated over the remaining useful life of the related parent asset. However, where the useful life of the spare part is different from that of the related parent asset, depreciation is provided over the useful life of the spare part itself.

Depreciation on power distribution assets is provided at the rate of depreciation notified by Central Electricity Regulatory Commission (CERC).

Buildings and pipelines related to River Water System, Tertiary Treatment Plant and Water Treatment Plant are depreciated on Units of Production Method.

The estimated useful lives and residual values are reviewed at the end of each year and if necessary, changes in estimates are accounted for prospectively.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sale proceeds and the carrying amount of assets and is recognized in the Statement of Profit and Loss.

The group follows a plan of physical verification of items of Property, Plant and Equipment so as to ensure full coverage over 3 years in a phased manner. This provides adequate control having regard to the size and nature of operations of the Group.

Notes accompanying consolidated financial statements**2.8 Investment properties (Freehold Land):**

Property (Freehold Land) that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the group, is classified as investment property. Investment properties are measured initially at its cost, including related transaction costs, and where applicable borrowing costs. Subsequent expenditure including mandatory & unavoidable expenditure incurred on creation of infrastructure at R&R colony is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. The construction of infrastructure inextricably linked to the core and integral part of overall SEZ development is capitalized as part of the cost of land.

2.9 Intangible Assets**(i) Intangible Assets and Amortization**

Intangible assets acquired are measured on initial recognition at cost.

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Group and the cost of the asset can be measured reliably and are amortized under straight line method as follows:

- Specialized software over a period of 5 years from the month of addition.
- Cost of Barrage usage Rights is amortized on a straight line basis over the lease period/life of the underlying asset whichever is less and determined at 25 Years.

(ii) De-recognition of Intangible Assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. When the asset is derecognized, Gains or losses, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized as impairment in the Statement of Profit & Loss.

2.10 Impairment of Assets

The Group reviews the carrying amount of its Property, Plant and Equipment (including Capital Works in progress) annually to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

An assessment is made annually as to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a

Notes accompanying consolidated financial statements

change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of impairment loss are recognized in the Statement of Profit and Loss.

2.11 Inventories

Inventories are valued at lower of cost (weighted average method) and net realizable value.

Unserviceable and scrap items, when determined, are valued at estimated net realizable value less all costs necessary to make the sale.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.12 Revenue recognition

Under Ind AS 115, Revenue is recognized on satisfaction of performance obligation, which is measured at the amount of transaction price, net of variable consideration as part of contract, allocated to that performance obligation.

a) Sale of Goods

Revenue arising from sale of goods is recognized when the control is passed to the buyer and the company does not retain any managerial involvement in the goods transferred and the amount of revenue can be measured reliably.

1. Income from supply of River water and Tertiary Treated Plant are recognized on the basis of quantity committed/delivered to the units and invoiced at the agreed rates.
2. Income from distribution of power is recognized as per actual consumption billed at Karnataka Electricity Regulatory Commission (KERC) approved tariff.

b) Sale of Services and Other Operating revenues

Revenue from services and other operating revenues is recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits associated with rendering of services will flow to the Company, the amount of revenue can be measured reliably.

- Operation and Maintenance charges (O&M) and CETP Treatment and Usage Charges are recognized based on the agreed rates with the units.
- Marine outfall usage charges, Corridor Usage charges, CETP joining fees, internal corridor charges received in advance are recognized over the useful life of the asset on a proportionate basis.

c) Other Income:

- Capital Gains are recognized based on the receipt of the redemption proceeds from the Liquid Mutual Funds
- The Liquid Mutual funds are on Marked to market based on the closing NAV. Gain or Loss is accounted accordingly
- Dividend income from the investments is recognized when the right to receive payment is established

Notes accompanying consolidated financial statements

- Interest income from financial assets is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is that rate exactly discounts the estimated future cash receipts through the expected life of the financial asset to that assets net carrying amount on initial recognition.
- Rental and other charges for usage of long term assets of the company which do not partake the character of lease, are recognized as and when they fall due as per the terms of the agreements.

2.13 Leases

The Company has adopted Ind AS 116 "Leases" effective 1st April, 2019, as notified by the Ministry of Corporate Affairs (MCA) vide Companies (Indian Accounting Standard), Amendment Rules, 2019, using the modified retrospective method.

On transition, the adoption of the standard resulted in recognition of Right-to-Use assets with corresponding equivalent lease liabilities.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

A lease is classified at the inception date as a finance lease or an operating lease.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to the ownership of an asset. Lease other than financial lease are classified as operating lease.

AS LESSEE:

Land acquired from KIADB on a long term lease cum sale and to be converted into a sale subject to fulfillment of the terms and conditions is treated as finance lease and recognized under Investment Property.

Operating lease payments are recognized as an expense on a straight-line basis over the lease term. Prepayments towards operating lease are amortized on straight line basis over the period of the lease. Contingent rentals, if any, arising under operating leases are recognized as an expense in the period in which they are incurred.

AS LESSOR:

Lease agreements with a definite term with no stipulation for transfer of the ownership of the asset by the end of the lease term or for further renewal, are treated as operating lease.

Lease Premium:

Lease Premium received/receivable are recognized on straight line basis over the lease term as specified in the lease agreements.

One time Right of Way (RoW)/Joining fees:

The one-time RoW charges/joining fees received/receivable for use of assets are amortized over the useful life of the asset or period of the agreement, whichever is earlier.

Lease Rentals:

Lease rentals are recognized as and when they fall due as per the terms of the lease agreements.

2.14 Foreign Exchange Transaction

The functional currency of the Group is Indian Rupees which represents the currency of the economic environment in which it operates.

A foreign currency transaction is recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

At the end of each reporting period:

- a. Foreign currency monetary items are translated using the closing rate.
- b. Non Monetary items measured in terms of historical cost in foreign currency are translated using the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition or in the previous financial statements are recognized in the statement of profit and loss of the period.

2.15 Employee Benefits
a) Short term employee benefits

Short term employee benefit are recognized in the year in which the service has been rendered by the employees and measured at cost.

All short-term employee benefits are recognized at the undiscounted amount in the accounting period in which they are incurred.

b) Post-employment benefits

i) Defined Contribution Plans: The provident fund scheme and the employee pension scheme are defined contribution plans. The contribution paid / payable under the schemes are recognized during the period in which the employee renders the related service.

ii) Defined Benefit plans: The employee's gratuity liability is the group's defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the term of related obligations.

Actuarial gains and losses are recognized immediately in Other Comprehensive Income (OCI).

c) Long term employee benefits

The obligation for long term employee benefits such as long term compensated absences is recognized in the same manner as in the case of defined benefit plans as mentioned in (b) (ii) above.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined liability), are recognized immediately in the balance sheet with

Notes accompanying consolidated financial statements

a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

2.16 Taxes on Income

Income tax expense represents the aggregate of Current tax and Deferred tax.

(i) Current tax

Current tax is the amount of Income tax payable in respect of the taxable profit for a period.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect of situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred Tax

Deferred tax is recognized on deductible/taxable temporary differences between the carrying amounts of assets and liabilities in the Financial Statement and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. In the absence of virtual certainty of the recoverability, deferred tax on impairment provision is not considered as per prudent practice followed by the company consistently.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to get future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realized.

(iii) Current and deferred tax for the year

Current and deferred tax are recognized in the Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

2.17 Borrowing Costs

Borrowing costs specifically identified in the acquisition or construction of qualifying assets is capitalized as part of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss applying the "effective interest method" as described in Ind AS 109, Financial Instruments.

Borrowing Cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.18 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts where an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

2.19 Financial instruments

A Financial Instrument is a contract that gives rise to a financial asset or a financial liability or an equity instrument of another entity.

Financial assets and financial liabilities are recognized when Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

2.20 Financial assets**Cash and cash equivalents**

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost using the effective interest/risk adjusted method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash

Notes accompanying consolidated financial statements

flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Group has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. Financial assets in the form of trade receivables are initially measured at their transaction price unless those contain significant financial components measured in accordance with Ind AS-115.

Impairment of financial assets

In accordance with Ind AS 109, the group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure.

- a) Lease receivables under Ind AS 116
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The Group follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 116.

The application of simplified approach does not require the group to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the cost of borrowing. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rate cases when the expected life

Notes accompanying consolidated financial statements

of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL impairment loss allowance (or reversal) recognized during the period is recognized in the statement of profit and loss (P&L). This amount is reflected under the head 'Net impairment loss on financial assets' in the Statement of P&L. The balance sheet presentation for various financial instruments is described below.

Derecognition of financial assets

The Group de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.

2.21 Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit and loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and delivered financial instruments.

The measurement of the financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit or loss include liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk is recognized in OCI. These gains/losses are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the

Notes accompanying consolidated financial statements

liabilities are derecognized as well as through the EIR amortization process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

The category generally applies to borrowings.

Financial guarantee contracts

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Financial liabilities

Financial liabilities are measured at amortized cost using the effective interest method.

De-recognition of financial liabilities

The Group de-recognizes financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognized and the consideration paid and payable is recognized in the Statement of Profit and Loss.

2.22 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.23 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

2.24 Operating Segments

Operating Segments are identified based on the business activities from which they earn revenue and incur expenses and whose operating results are regularly reviewed by the entities Chief operating decision maker and for which discrete financial information is available.

2.25 Critical Accounting Judgments and Key Sources of Estimation Uncertainty

Application of many of the accounting policies used in preparing the Financial Statements, the group makes judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of judgments and estimation of uncertainty in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment, useful lives of Property, Plant and Equipment, retirement benefit obligations, provisions, valuation of deferred tax assets and contingent assets & liabilities.

2.26 Critical judgments in applying accounting policies

The following are the critical judgments, apart from those involving estimations (Refer note 54), that the group have made in the process of applying the Group's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

2.27 Key sources of estimation uncertainty

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

a) Impairment of assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired, if any indication exists, or when annual impairment testing for an asset is required, the Group estimates that asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or groups of assets, when the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Group extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Notes accompanying consolidated financial statements

Impairment losses of continuing operations, including impairment on investments, are recognized in the statement profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation surplus.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the group estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

b) Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Notes accompanying consolidated financial statements

- 3(i) The company has taken borrowings from bank which carry charge over all the assets of the company (refer Note no.20 towards security and pledge).
- 3(ii) All the title deeds of immovable Property, Plant and Equipment, except the lease assets, are held in the name of the Company.
- 3(iii) Refer Note no.53(a) for disclosure of contractual commitments for acquisition of Property, Plant & Equipment

3(iv) Corridor Asset:

In the development of the Special Economic Zone (SEZ), the Company has set up a Pipeline-cum-Road Corridor Project from New Mangalore Port Trust (NMPT) to Mangalore SEZ (MSEZ). The project has been developed and capitalized entirely during FY 20-21 on a self-sustainable, cost and revenue model under an agreement with two customers viz., MRPL and MRPL Aromatic SEZ Unit.

In terms of the agreement:

- All the three parties have contributed in equal shares towards cost of the project.
- The title, ownership, possession and maintenance of the assets vests with MSEZL only.
- MRPL and MRPL Aromatic SEZ Unit have been given perpetual rights to use the corridor for specified width leaving substantial width of the corridor for commercial exploitation by MSEZL.
- The 'usership fee' relating to the width allocated to MRPL and MRPL Aromatic SEZ Unit on 'cost basis' is adjusted against the contribution and the balance is also treated as 'user fee' but reckoned for 'residual contribution'.
- The revenue on the corridor project from third party customers accrue to the three parties in the ratio of their 'residual contributions'.

Investments in quoted mutual funds		10	4,405.91	4,405.91	-

- (ii) Valuation technique used to determine fair value

Financial instruments measured at fair value

The valuation technique used to value financial instruments at fair value is based on the quoted market prices of mutual funds recognised at their closing NAV per unit.

The fair value of security deposits is determined using cost of borrowing.

Notes accompanying consolidated financial statements
Note No.44 (C) Financial Risk Management - Objectives and Policies

The Company's financial liabilities comprises mainly of viz., term loan borrowings, trade payables and other payables. The Company's financial assets comprises mainly of cash and cash equivalents, trade receivables, investments in mutual funds and other receivables.

The Company has financial risk exposure in the form of viz., market risk, credit risk and liquidity risk. The Risk Management Committee under the Board of Directors oversees the risk to which the Company is exposed and operates.

The present disclosures made by the Company summarizes the exposure to the financial risks.

1) Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market price comprises three types of risk: currency risk, interest rate risk and other price risk. The financial instruments affected by market risk includes rupee term loan and loans & advance.

a) Interest Rate Risk exposure

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company has availed significant rupee term loans at floating interest rates from State Bank of India, New Delhi. The interest rate is one month MCLR rate of SBI plus spread 0.25% (w.e.f.16-12-25) and the interest rate is reset on a monthly basis. The Company has not entered into any of the interest rate swaps and hence, the Company is exposed to interest rate risk.

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

Rs. in Lakhs

	31-Mar-26	31-Mar-25
Variable rate borrowings	9,698.48	23,621.92
	9,698.48	23,621.92

As at the end of the reporting period, the company has the following variable rate borrowings outstanding:

31-Mar-26				31-Mar-25			
	Weighted average interest rate	Balance Amount in Rs. lakh	% of total loans		Weighted average interest rate	Balance Amount in Rs. lakh	% of total loans
Rupee term loan	9.04%	9,698.48	100%	Rupee term loan	8.60%	23,621.92	100%
Exposure to cash flow interest rate risk		9,698.48	100%	Exposure to cash flow interest rate risk		23,621.92	100%

Interest Rate Sensitivity analysis

The Company considering the economic environment in which it operates has determined the interest rate sensitivity analysis (interest exposure) at the end of the reporting period. The interest rate for the Company are floating rates and hence, the analysis is prepared assuming the amount of the borrowings outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point +/- fluctuation in the interest rate is used for disclosing the sensitivity analysis.

Sensitivity	Impact on Profit before tax	
	31-Mar-26	31-Mar-25
Interest rates - increase by 50 basis points	83.30	153.96
Interest rates - decrease by 50 basis points	(83.30)	(153.96)

The interest rate sensitivity analysis is done holding on the assumption that all other variables remaining constant. The increase/decrease in interest expense is directly attributable to the Company's exposure to interest rates on its variable rate of borrowings.

b) Foreign currency risk exposure

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The Company undertakes transactions in Indian Rupees and its borrowings/loans payable & trade receivables are also denominated in Indian Rupees and hence, there is no exposure to foreign exchange operations and as such no rate fluctuations involves.

Foreign currency rate sensitivity analysis:

Since, there is no foreign currency risk, sensitivity analysis for the same does not arise

c) Other price risk

Other price risk is the risk that the fair value of a financial instruments will fluctuate due to changes in market traded prices. The Company's investment in liquid fund - Direct plan Daily IDCW (Cash). The Company's equity investment in its subsidiary is not held for trading and hence, there is no risk of price movement.

2) Credit Risk

The Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investment in mutual funds, Bank balances and other receivables.

The Company primarily deals with the units/consumers operating inside the Mangalore Special Economic Zone (MSEZ). The units/consumers are the industries who have invested in MSEZ for setting up their industry. The Company enters into MOU/Lease deed for lease of land, RoW agreements for use of assets & receives on-time lease premium (as per agreed milestones). The Company also collects annual lease rentals and RoW Charges. The Company supplies water; power and provides services to units/consumers through pre-determined contracts and agreed rates. In so far as supply of power is concerned the Company charges tariff based on the approved tariff by regulatory commission. The Company's exposure are continuously monitored and the aggregate value of transactions is reasonably spread amongst the units. The Company upon entering into MOU/lease agreement for balance leasable land with the prospective units/consumer would receive one-time lease premium and annual rentals and concurrently, would also receive steady operating cash flows through sale of products and supply of services.

The credit risk arising from the exposure of investing in mutual funds and bank balances is limited and there is no collateral held against these because the counterparties are the recognised financial institutions and public sector banks, which are creditworthy.

Notes accompanying consolidated financial statements

The credit period in majority of the trade receivables range from 7 days-15 days and average credit period is less than 30 days. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. The concentration of the credit risk is generally limited due to fact that the area of operation of the Company is confined to one geography (MSEZ) and the number of units/consumers are also limited, wherein again the credit risk mitigated through pre-existing contract obligations. For trade receivables, as a practical expedient, the Company computes the credit loss allowance if there is life-time expected credit losses and fair value loss measured at present value, based on long term G-sec rate.

Movement in expected credit loss allowance on trade receivables

Rs. in Lakhs

Particulars	31.03.2026	31.03.2025
Balance at the beginning of the year	178.17	218.13
Impairment loss	7.31	17.53
Reversal of impairment loss	(0.35)	(57.49)
Balance at the end of the year	185.13	178.17

3) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly to meet obligations when due. The Company's exposure to liquidity risk arises primarily from mismatches of values of the financial assets and liabilities.

The Company manages the liquidity risk by (i) maintaining adequate and sufficient cash and cash equivalents including investments in mutual funds (ii) making available the funds from realising timely maturities of financial assets to meet the obligations when due. The management monitors rolling forecast of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. Also, the Company manages the liquidity risk by projecting cash flows considering the level of liquid assets necessary to meet the obligations by matching the maturity profiles of financial assets and financial liabilities and monitoring balance sheet liquidity ratios. Further, the liquidity risk management involves matching the maturity profiles of financial assets and financial liabilities.

The company makes an annual/long term financial plan so as to ensure there are no maturity mismatches in settlement of liabilities.

Note No.44(D) Capital Management

The Company's objective when managing capital are to:

- safeguard the Company's ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may vary the distribution of dividends to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

As at March 31, 2026, the Company has only one class of equity share and rupee term loan. Consequent to such capital structure, there are no externally imposed capital requirements.

The capital structure of the Company consists of debt (borrowings as detailed in note 20) and total equity including advances received from units towards lease of land and use of infrastructure facilities of the Company and monitors capital, based on this capital structure's gearing ratio.

The gearing ratio at the end of the reporting period is computed as follows

Rs. in Lakhs

Particulars	As at 31.03.2026	As at 31.03.2025
i) Debt	9,698.48	23,621.92
ii) Equity share capital	5,000.12	5,000.12
iii) Other equity	6,868.72	50.53
iv) One time non-refundable amounts from customers	1,04,385.12	97,180.78
v) Total equity [(ii) + (iii) + (iv)]	1,16,253.96	1,02,231.43
vi) Debt to equity ratio (times)	0.08	0.23

Note No.45: Segment reporting

The company has only one operating segment (Development, Operation & Maintenance of Mangalore Special Economic Zone).

Note No. 46: Leases - As lessee
Right-of-use assets - Ind - AS 116

Rs. in lakhs

Sl. No.	Particulars	Note	31-Mar-26	31-Mar-25

5	Perpetual Lease liability	2,147.17	2,208.20
6	Less: Inter group eliminations		
7	Total lease liabilities (5-6)	2,147.17	2,208.20

Note No. 47: Leases - As lessor
Lease of land
(i) Finance Lease:

The Company has obtained on a lease-cum-sale basis from Karnataka Industrial Area Development Board (KIADB) vide lease-cum-sale agreement dated 28.12.2010. The lease is for a period of 50 years. The lease agreement with KIADB stipulates various conditions related to lease, including in relation to the manner in which the Company will obtain freehold title of land. The Company is reasonably certain to obtain freehold title, since the terms and conditions for conversion to freehold land has been fulfilled and have already applied to KIADB for absolute sale deed in favour of the Company. Since, reasonable certainty exists that ownership of the asset - land the economic ownership of the land ab initio would eventually pass on to the Company the land is accounted as a tangible asset of the Company e.g. Leasehold land convertible into freehold. Thus in substantive terms, the Company has acquired a tangible asset - only in legal terms the conversion into freehold status is pending.

(ii) Operating Lease

The Company has sub leased land inside MSEZ (lease-cum-sale land acquired from KIADB) on operating lease to various units. The sub-lease are long term in nature and the period of sub-lease with the units is coterminous with that of the lease period entered into by the company with KIADB i.e. Until 26th January 2060. The sub-lease are non-cancellable and does not include contingent rent. The subleases are renewable for a further period on substantial terms as specified in the lease agreements.

The total future rentals receivable as at March 31, 2026 (based on the agreements concluded with the units) is as under:

Rs. in Lakhs

Particulars	As at 31.03.2026	As at 31.03.2025
Not later than one year	3,202.67	12,306.36
Later than one year and not later than five years	2,885.03	2,189.03
Later than five years	19,002.29	19,108.58

Note No. 48: Employee Benefits
(i) Post-employment benefits

Brief Description: A general description of the type of employee benefit plan is as follows:

Defined benefit gratuity plan (Funded):

The company has a defined benefit gratuity plan for its employees. It is governed by Payment of Gratuity Act, 1972. Under the said Act employees who have completed five years of service are entitled to gratuity benefits. The level of benefit provided depends on the employee's length of service and last drawn salary. The valuation considers the provisions of the Code on Social Security, 2020, including the revised definition of wages, wherever applicable.

The present value of the defined benefit obligation and the related current service cost and past service cost, were measured using the projected unit credit method (PUCM).

This post-employment plan typically expose the Company to actuarial risks such as: Investment risk, interest rate risk, longevity risk and salary risk.

Investment Risk	The present value of the defined benefit liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest rate Risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments.
Longevity Risk	The present value of the defined benefit liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined benefit liability is calculated by reference to the future salaries of plan participants. As such, an increase in salary of the plan participants will increase the plan's liability.

Asset Liability Matching Risk: The Company maintains plan assets with LIC under a Group Gratuity Scheme based on actuarial valuation. Consequently, the risk arising from asset-liability mismatch is mitigated.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

The company has implemented the benefit scheme in line with Payment of Gratuity Act, 1972. The monetary ceiling of gratuity payable to the employees has been changed from Rs.10 Lakhs to Rs.20 Lakhs.

The most recent actuarial valuation of the plan assets and the present value of defined obligation was carried out as at March 31, 2026. Consequent to the implementation of the new Labour Code effective from 21.11.2025, the Company has recognised past service cost amounting to Rs.27.31 lakhs in the Statement of Profit and Loss for the year ended 31.03.2026.

The principal actuarial assumptions used in determining Gratuity are as follows

Rs. in Lakhs			
Sl. No	Particulars	As at 31.03.2026	As at 31.03.2025
1	Expected return on Plan assets	7.40%	6.81%
2	Discount Rate	7.40%	6.81%
3	Annual increase in salary	6.00%	6.00%
4	Employee Turnover	1.00%	1.00%
5	Mortality Rate During Employment	"Indian Assured Lives Mortality 2012-14 (Urban)"	"Indian Assured Lives Mortality 2012-14 (Urban)"

The discount rate relates to the benchmark rate available on G.Sec. and is taken as per deal rate as on 31.03.2026. The tenure of the G.Sec. Rate matches with the expected term of the obligation

The following table summarize the components of the defined benefits expense recognized in the statement of profit or loss/OCI.

Rs. in lakhs

Particulars	Year 2025-26	Year 2024-25
Interest cost	12.85	11.24
Current Service cost	10.39	9.57

(Employer Contribution)	-	-
Net liability/(Asset) Recognised in the Balance sheet	54.41	26.58
Current	29.49	24.23
Non-Current	24.92	2.35

Notes accompanying consolidated financial statements

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below have been determined based on the reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all the other assumption constant.

Rs. in lakhs

Sensitivity Analysis	As at 31.03.2026	As at 31.03.2025
Projected benefit Obligation on Current Assumptions	206.19	178.00
Discount Rate		
- Impact due to increase of 1%	(17.31)	(15.63)
- Impact due to decrease of 1%	19.73	17.93
Salary increase		
- Impact due to increase of 1%	13.96	14.09
- Impact due to decrease of 1%	(13.75)	(13.24)
Employee Turnover		
- Impact due to increase of 1%	3.08	1.51
- Impact due to decrease of 1%	(3.37)	(1.67)

Sensitivity analysis is an analysis which will give the movement in liability if the assumptions were not proved to be true on different count. This only signifies the change in the liability if the difference between assumed and the actual is not following the parameters of the sensitivity analysis.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognized in the balance sheet.

(ii) Other employee long term benefits
Actual Leave and Sick leave assumptions

Compensated absences - Earned leave eligibility is 25 days per annum and sick leave 12 days per annum. Encashment permitted up to a maximum of 300 days per employee.

The liability towards compensated absences (annual leave and sick leave) for the year ended 31st March, 2026 is based on actuarial valuation carried out by using Projected Unit Credit Method resulted in increase in liability by Rs.30.01 lakhs (Previous year increase by Rs.6.85 lakhs).

Assumptions

Particulars	As at 31.03.2026	As at 31.03.2025
Mortality	"Indian Assured Lives Mortality 2012-14 (Urban)"	"Indian Assured Lives Mortality 2012-14 (Urban)"

Notes accompanying consolidated financial statements**Note No. 53****b. Contingent liabilities**

The claims against the company not acknowledged as debt is Rs.165.25 lakhs (previous year Rs.165.25 lakhs). The details are as under

Sl. No.	Petitioner	A brief description nature of court cases	Estimate of the financial effect - Amount in Rs. lakhs	Indication of the uncertainties relating to the amount or timing of any outflow
1.	Mr. Ravindranath Bajpe	The Company had laid the water pipeline by the side of Mangalore-Bajpe Old Airport PWD Road abutting the schedule properties and other properties on the same line commencing from Nethravathi River Bank at sarapady to MSEZ Industrial area. While carrying out works near the plaintiffs (Ravindranath Bajpe) property, had contended that Company officials & contractors have trespassed his property and demolished the stone compound wall of 7 feet height, foundation of 3 feet height beneath the ground & 2 feet wide to the extent of about 500 meters and also cut & destroyed about 101 valuable trees and laid pipeline beneath the schedule properties about to extent of 500 meters. Therefore, Ravindranath Bajpe has filed an Original Suit before the civil court directing the defendants jointly and severally to pay a sum of Rs 47,90,500/-.	47.91	1. Ravindranath Bajpe filed a criminal complaint against the Company, its officials and Directors at JMFC Court, Mangalore. Then the Company filed a criminal revision petition at the District Court to set aside the summons issued by JMFC court. The District Court upheld the petition filed by the Company. (2) Ravindranath Bajpe challenged the order passed by the District Court at the Karnataka High Court which was also dismissed (3) The party again filed a SLP before the Supreme Court which had been dismissed. (4) In the meantime, the party also filed a civil case at the District Court in which the District Court has allowed his relatives also to implead, which was challenged by the Party in the High Court. (5) The High Court has disposed the case due to the death of the party and the matter is now pending for further hearing at the District Court. (6) The Party has made a huge claim which is baseless & far from truth. However, the Company has withheld the amount from the contractor's payment towards the claim that may arise in the case.

Notes accompanying consolidated financial statements

2.	Cherian Varkey Construction Company (CVCC)	The petitioner was awarded the Reach IV contract forming part of Pipeline cum Road Corridor on August 2011. The petitioner had failed to complete the awarded contract as per milestones. Due to which the contract was extended. The petitioner has also stopped the work in an unauthorized manner on multiple occasions. Due to non-handing over of the front for executing work on Part A of the contract within the original contract period, the petitioner was seeking increase in rates for items covered under BOQ. The contract entered between the Company and petitioner being a fixed price contract did not provide for escalation of rates and compensation events to deal with instances of delay in handing over fronts. The intransigence on part of the petitioner lead to delay in works. Hence, the contract was terminated with immediate effect on 06.11.2013 and all Bank Guarantees furnished by the petitioner was invoked. The petitioner approached the Hon'ble District Court in Mangalore and secured a temporary injunction restraining the Company from encashing the BG. After the matter came up for argument in the Court and several adjournments, the case filed by petitioner was dismissed by Hon'ble on 05th April 2014. The petitioner has also initiated proceedings in the matter. In order to settle the dispute out of court/ arbitration an opportunity for redressal through an independent committee, the Company sought consent for constituting an Outside Expert Committee (OEC) which was accepted by petitioner. The arbitration proceedings was put on hold while OEC took over the dispute resolution. The OEC has recommended the Company to pay Rs.9.39 Cr to petitioner. However, the petitioner did not accept the recommendations of the OEC and choose to pursue the Arbitration proceedings. The Arbitral Tribunal had passed the award on 24.09.2016 stating that the performance and completion of works under the contract was on account of breaches/defaults committed by the Company and termination of contract was unlawful. The Company was directed to pay to Rs.19,23,53,085. Aggrieved by the Arbitration award, the company and the Petitioner had filed a Arbitration suits contesting the Arbitration Award before the 1st Additional Dist. Session Judge, Mangaluru and matter is still pending. Further, the petitioner filed an execution petition for recovery of Rs.29,13,63,551 and sought for attachment of bank accounts to the tune of Rs.3500 lakh. After several rounds of court proceedings, the 1st Additional District Judge, Mangaluru vide order dated 28.02.2020 has dismissed the contentions of the Company and passed orders to attach the bank accounts of the Company to the tune of Rs.3500 lakh. The party has approached the company for an out of court settlement and the company after deliberations has proposed for Rs.1315 lakhs as settlement amount and the same is pending for confirmation from the party."		MSEZL and CVCC had filed Arbitration suits no 1 & 2/2020 in the IVth Additional District Court, Mangalore challenging the Award passed by the Arbitral Tribunal. CVCC had also filed an execution case against the Company for attaching the bank accounts of the Company to the tune of Rs.3500 lakhs, which was allowed by the District Court. The Company filed a writ petition No 4974/2020 (GM-CPC) before the Hon'ble High Court of Karnataka, Bengaluru, wherein the Hon'ble High Court vide order dated 17.03.2020 stayed the order dated 28.02.2020 passed by its Additional District Judge, Mangaluru subject to the Company furnishing security of fixed deposit to an extent of award amount. The Company has followed the directions of High Court and executed a term deposit of Rs.1921 lakhs. Further, considering the PBG encashment of Rs.730.20 lakhs and contract retention money payable Rs.237.07 lakh, the net charge to statement of profit and loss would be Rs.2532.73 lakh. After hearing both sides in the Arbitration suits no 1 & 2/2020, perusal of the records of the learned Arbitrators and written arguments filed by both the parties, the Hon'ble IVth Additional District Judge, DK District, Mangalore was pleased to pass the Judgement in the suits on 13 Feb '24 setting aside the Award dated 24 Sep '16 and modified Award dated 27 Nov '16 passed by the Arbitral Tribunal by terming the Award shockingly perverse and illegal. The Fixed Deposit Certificate of Rs 1921 lakhs kept by the company at the District Court has also been released. CVCC have filed a Commercial Appeal at the High Court challenging the Judgment of the District Court. The appeal is in the Admission Stage."

Notes accompanying consolidated financial statements

b. Contingent liabilities

Sl. No.	Petitioner	A brief description nature of court cases	Estimate of the financial effect - Amount in Rs. lakhs	Indication of the uncertainties relating to the amount or timing of any outflow
3.	Office of The Commissioner of Customs, Mangalore	The Company received a Show Cause Notice (SCN) dated 28.3.2022 from the Customs department seeking a clarification as to why customs duty on the clearances of crushed rock during the period April 2017 to February 2022 should not be demanded and recovered as per the applicable customs Act along with the applicable interest.	117.34	The Company has entered into a MoU with M/s. Trident Infrastructure for sale of boulders/rock against which Trident has paid for supply along with applicable taxes levied by the Company. M/s. Trident Infrastructure would crush the boulders and sell them in DTA by paying applicable duties and taxes at his cost. Now, the Department has issued SCN to the Company demanding payment of Customs duty on the crushed rock cleared by Trident Infrastructure to DTA. The SCN issued by the Department on DTA clearances made by Trident Infrastructure is erroneous. The Company has filed a writ petition no. 8438 dated 18.4.2022 before the Karnataka High Court. The same was listed on 19.4.2022 and the High Court granted an interim order against the operation of the SCN until further order. In any case, the liability to pay the customs duty falls on M/s. Trident Infrastructure as the crushed rocks were moved out to DTA by Trident Infrastructure. M/s. Trident Infrastructure have given undertaking to pay the applicable Customs duty under protest and have been transporting crushed rock to the DTA by filing the Bill of Entry and paying the applicable Customs duty under protest in advance. The matter is in the arguments stage at the High Court.
		Total Contingent liability	165.25	

Notes accompanying consolidated financial statements
Note No.53 (c): A brief description of other court cases - Non Contingent in nature

Sl. No.	Cases filed	Particulars	Amount in Rs. Lakhs	Brief description
1.	Cardolite Specialty Chemicals India LLP	The Cardolite Specialty Chemicals India LLP (a unit in MSEZ) has filed a writ petition in the Hon'ble High Court, Karnataka against the tariff order passed by Karnataka State Electricity Commission (KERC)	79.33	The matter came up for hearing on 10 Dec '21 during which a joint memo was filed regarding an interim arrangement to the effect that Cardolite shall furnish BG of Rs 79.33 lakhs which shall be kept current and valid till disposal of the petition and the payment to be made under the Bank Guarantee shall be subject to orders of the Hon'ble Court and the outcome of the litigation. The Court ruled that subject to the aforesaid, MSEZL shall provide its consent to the Cardolite to avail open access power. Subsequently NOC for availing open access has been given to Cardolite on 22 Dec '21 after furnishing of the BG to the Court. Thereafter, Cardolite obtained an interim order from the Court through an Interlocutory Application in which MSEZL was directed to share its Business fof FY 2011-12 with Cardolite. MSEZL appealed against the Order before the Division Bench which set aside the Order and referred the matter back to the Single Judge to examine the entire matter along with the IA on merits. The Judge has heard the final arguments of the counsel of MSEZL, KERC and Cardolite on 04.11.2024. Date for further proceedings is awaited.
2.	Various parties	Various petitioners have filed cases under the Relief and Rehabilitation package notified by Gok Notification No: RD 309 REH 2006 dtd: 20-06-2007.	610.00	The cases pertain to re-categorisation or benefits under the R&R policy where the company is not the main respondent in majority of the cases. The company does not foresee any liability arising from such cases.

**Note No.54: Critical judgements in applying accounting policies****I. Recognition of Revenue**

(a) The Company's power distribution business is rate regulated by Karnataka Electricity Regulatory Commission (KERC). Thus, the Company files Annual Revenue Requirement (ARR) & tariff application and Annual Performance Report (APR) before KERC. The KERC passes tariff order determining the retail supply tariff to be charged to Consumers. For, the current financial year 25-26 the revenue is recognized based on the KERC tariff order dated 27.03.2025. Further, the KERC also carries out true-up exercise of audited annual accounts of power distribution business and subsequently issues the APR order determining the revenue deficit/surplus. The company has filed APR for FY 24-25 on 28.11.2025 and the orders are awaited.

II. Recognition of borrowing cost

Borrowing costs are charged to the Statement of Profit & Loss applying the effective interest method. The interest charged on the loan is 25 basis point plus one month Maximum Commercial Lending Rate (MCLR) rate of the Lender. If the Lender changes the MCLR rate, the effective rate of interest will also change resulting in reduction or increase in interest cost.

III. Estimated useful life of tangible and intangible assets

- (a) The Company has estimated the useful life of certain assets based technical evaluation and that of certain assets based on useful life as specified in Schedule-II to the Companies Act, 2013. The Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The estimated useful life and residual values are reviewed at the end of each financial year and if necessary, changes in estimates are accounted. The Company has adopted unit of production method for charging depreciation in respect of River Water Assets and Tertiary Treatment Plant assets (both excluding Electrical Installations and Equipment) Under unit of production method, the Management estimates the production likely to be achieved in future years. The actual productions are reviewed at the end of each financial year and if necessary, changes in estimation are accounted.
- (b) The Company amortizes the cost of barrage useful usage rights on a straight-line basis over the lease period.

IV. Impairment of Trade Receivable

The impairment provision for financial assets is based on the assumption about risk of default and expected loss rates. The Company uses judgements in making these assumptions and selecting the input impairment calculation based on the Company past history as well as forward looking assumptions at the end of each reporting period.

V. Income taxes

The computation of advance taxes, provision for current/deferred tax are made based on significant judgements and which may get revised pursuant to position taken by the tax authorities.
